1. The above calculation is based on the amount of claims received and admitted as on Nov 17, 2020.

2. We have taken handover of the claim documents from the erstwhile RP(s) and their teams and have relied on the claims admitted and / or rejected by the erstwhile RP(s) in their period as Resolution Professional.

3. Claim received from DEI Minerals Limited of USD 254,111,395.76 is rejected for lack of verification

4. Department of Telecommunications("DoT") have filed a claim amounting to INR 1,512.01 Crores, out of which INR 1,439.19 crores pertains to claim under AGR Dues. Basis the SC order dated July 20, 2020, we have admitted INR 1,376 crores against the outstanding AGR Dues as the order states the said amount. Also the order clearly mentions that there is no re-assessment/re-calculation allowed against the same. Further, DoT has also claimed INR 72.82 crores against the pending Liquidity Damages. We have verified INR 25.87 crores against the same and the balance amount has been rejected as the same has already been paid basis the information received from the corporate debtor. We have communicated the same to DoT in our e-mail dated 11th August 2020.

5. Please note that pursuant to initiation of the individual corporate insolvency resolution processes of each of the Corporate Debtors, the respective interim resolution professionals had published public announcements as per Regulation 6 of the Insolvency and Bankruptcy Board of India (Insolvency Resolution Process for Corporate Persons) Regulations, 2016 inviting claims to be submitted for the respective Corporate Debtors. The corporate insolvency resolution processes of the Corporate Debtors were thereafter consolidated vide an order of the National Company Law Tribunal, Mumbai ("NCLT") dated August 8, 2019 and Mr. Abhijit Guhathakurta was appointed as the Resolution professional for the consolidated corporate insolvency resolution process ("CIRP") of the Corporate Debtors vide an order of the NCLT dated September 25, 2019. The Resolution Professional instructed the Corporate Debtors to compute the quantum of the pre-CIRP amounts due to be paid by the Corporate Debtors respectively to the provident fund ("PF"), Employee State Insurance Corporation (ESIC) and Professional Tax(PTax) authorities. Thereafter, the Resolution Professional communicated to the concerned PF, ESIC and PTax offices of the CIRP of the respective Corporate Debtors and advised them to file the claims of the respective Corporate Debtors basis their individual computations. However, it may be noted that the Resolution Professional has received a response in this regard from a limited number of PF, ESIC and PTax offices.

Presently, the residual aggregate of amounts due to the PF, ESIC and PTax authorities, as per the computation of the respective Corporate Debtors, is Rs. 2.61Cr ("Residual Amount"), which is not entirely reflected in the books of the respective Corporate Debtors. Further, for the Residual Amount, the Resolution Professional has not received any claim forms and/ or supporting documents in relation to the said amount, due to which the same has not been categorized as admitted claims of the Corporate Debtors by the Resolution Professional. The Resolution Applicants may take into consideration the Residual Amount, in the process and their calculation of allocation of funds to be made towards the dues to the PF, ESIC and PTax authorities.

6. Claims amounting to INR 386.45Cr presently appearing in Contingent claims are "claims rejected for lack of verification". These claims from statutory authorities basis 1st demand order copies and undeterminable amounts. Such claims can be updated under Regulation 14(2) of the CIRP Regulations upon submission of verifiable document(s) and can subsequently be updated if verification can be made under Regulation 7(2) of the CIRP Regulations.

7. The claim submitted by The Deputy Commissioner, Customs House, Mundra, has been admitted as the Corporate Debtor has not been granted the requisite Export Obligation Discharge Certificate ("EODC") by the Directorate General of Foreign Trade ("DGFT"). However, if the DGFT, at a later date, condones the requirement of endorsement and regularizes the export obligations to grant the requisite EODC to the Corporate Debtor, the claim amount, as admitted, would be modified and updated in accordance with the final orders passed by the DGFT."

8. IBM has filed claim a claim against an arbitration order in Videocon Industries Limited and Videocon Telecommunications Limited(VTL). The effect of the award has been considered in VTL's claim.

8. The claim verification is under process and accordingly the above information is subject to change.
