Introduction:

Pursuant to an application filed before the Hon'ble National Company Law Tribunal, Mumbai ("NCLT" / "Adjudicating Authority") under Section 7 of the Insolvency and Bankruptcy Code, 2016 ("IBC" / "the Code") against Videocon Industries Limited ("Corporate Debtor" / "the Company"), the Adjudicating Authority had admitted the application for the initiation of the corporate insolvency resolution process ("CIRP") of the Corporate Debtor vide an order dated June 6, 2018 ("CIRP Commencement") and appointed Mr. Anuj Jain as the insolvency resolution professional.

Thereafter, separate applications were filed by State Bank of India (on behalf of all the financial creditors) and Mr. Venugopal Dhoot (one of the promoters of the Videocon group) for the consolidation of the Corporate Debtor along with other group companies. The Adjudicating Authority, vide its order dated August 8, 2019, allowed State Bank of India's application by, inter alia, (i) allowing the consolidation of the CIRP of the Corporate Debtor with that of 12 other Videocon group companies (collectively referred to as the "Corporate Debtors", "Videocon Group Entities"); and (ii) appointing Mr. Mahender Khandelwal as the insolvency resolution professional for the Videocon Group Entities.

Subsequently, the first meeting of the consolidated committee of creditors of the Corporate Debtors ("CoC") was held on September 16, 2019. At the first meeting of the CoC, the CoC approved the name of Mr. Abhijit Guhathakurta as the resolution professional for the Videocon Group Entities, including the Corporate Debtor in place of Mr. Mahender Khandelwal. Mr. Abhijit Guhathakurta's appointment as the resolution professional of the Videocon Group Entities ("Resolution Professional", "RP") was approved by the Adjudicating Authority vide its order dated September 25, 2019. A copy of the said order of the Adjudicating Authority was made available to the Resolution Professional on September 27, 2019 when the same was uploaded on the website of the Adjudicating Authority.

On and from the date of publication of the aforesaid order, the powers of the board of directors of the Corporate Debtor were suspended and stood vested in the Resolution Professional.

Thereafter, CoC had approved the resolution plan submitted by Twin Star Technologies Limited (the "Resolution Plan"), by passing the requisite resolution with 95.09% majority/voting share in accordance with the provisions of Section 30(4) of the Code. The said Resolution Plan, as approved by the CoC, had been filed with the NCLT in accordance with the Section 30(6) of the

Code for its approval on December 15, 2020. Further, NCLT vide order dated June 08, 2021 ("Approval Order"), approved the resolution plan submitted by Twin Star Technologies Limited ("Approved Plan").

In terms of the Approved Plan, a steering committee had been constituted ("Steering **Committee**"). The Steering Committee in its meeting held on June 18, 2021 had appointed the Resolution Professional, Mr. Abhijit Guhathakurta, as the interim manager of the Corporate Debtors ("Interim Manager"), for undertaking the management and control of the Company, from the date of Approval Order till the completion of the implementation process on the Closing Date (as provided under the Approved Plan).

However, pursuant to the appeals filed by three dissenting financial creditors (among others) before the Hon'ble National Company Law Appellate Tribunal, New Delhi (the "NCLAT"), the Hon'ble NCLAT, vide its order dated July 19, 2021 in the said Appeals (the "Stay Order"), interalia stayed the operation of the Approval Order till the next date of hearing and ordered the maintenance of status quo ante as before passing of the Approval Order. Further, as per the Stay Order, the Resolution Professional was directed to continue to manage the 13 Videocon Group Entities as per the provisions of the Code till the next date of hearing.

Later on, the NCLAT vide its final order dated January 05, 2022 set aside the Approval Order and remitted back the matter to the CoC for completion of the process relating to CIRP in accordance with the provisions of the Code (the, "NCLAT Final Order"). Subsequently, pursuant to the NCLAT Final Order, the CoC in their meeting held on January 12, 2022, decided to invite afresh expressions of interest for submission of a consolidated resolution plan for Corporate Debtors in accordance with IBC and CIRP Regulations.

However, Twin Star Technologies Limited challenged the NCLAT Final Order in Civil Appeals bearing numbers 509, 512 and 894 of 2022 before the Hon'ble Supreme Court ("SC Appeals"). The SC Appeals were listed on February 14, 2022, on which date, the Hon'ble Supreme Court made oral remark to the Resolution Professional and CoC to not proceed further with the CIRP of the Corporate Debtors till any further orders in subsequent hearings. Pursuant to these oral remarks of the Hon'ble Supreme Court, the status quo is being preserved in the current CIRP of Corporate Debtors till further orders/directions of the Hon'ble Supreme Court. Therefore, the Resolution Professional continues to manage the Videocon Group Entities (including the Company), as per the provisions of the Code till the next date of hearing. As a result, the power of board of directors of the Corporate Debtor are being exercised by the Resolution Professional in terms of provisions of Section 25 of the Code.

<u>Constraints in calling the 32nd Annual General Meeting (AGM) of the Company for the financial</u> year ended on 31st March 2022, within the time frame:

In terms of the provisions of Section 96 of the Companies Act, 2013 the Company was required to hold 32nd AGM, for the financial year ended 31st March 2022, on or before 30th September 2022. As was explained in the financial statements for FY 2019-20, there were several challenges faced for finalizing audited financial statements for FY 2019-20. Unless the financial statements for FY 2019-20 were finalized, Financial Statements for FY 2019-20 and consequently FY 21-22 could not be completed. In terms of the provisions of the Companies Act, the Audited financial statements (standalone and consolidated) are required to be adopted at the annual general meeting. Since the Audited Financial Results could not be finalized, the Annual General Meeting of the shareholders for adoption of the financial statements could not be convened earlier. Further, requisite financial statements of the Subsidiaries, joint Venture and Associates are also not made available to the Company for preparing consolidated financial statements. In this regard, the Resolution Professional has already filed applications before the Adjudicating Authority for suitable directions under section 19 of the Code against the promoter/ erstwhile management to seek requisite cooperation and data (which has not yet been provided to RP or the Company).

Due to the aforementioned practical challenges, the Company faced significant difficulty in organizing the AGM. Consequently, the AGM could not be convened. However, given that substantial time has already passed in convening of this AGM, which is also impacting various other compliances applicable to the Company, the Resolution Professional has taken the initiative to call and convene the AGM.

The members of the Company are requested to note that the business proposed to be transacted in this Annual General Meeting is critical to maintain the going concern status of the Company and to ensure compliance with applicable laws. Irrespective of the voting result of the business as proposed to be transacted in this Annual General Meeting, the Resolution Professional shall be bound to comply with the applicable provisions of the Code in respect of his obligations to manage the Company as a going concern and to further comply with decisions of the CoC in that regard. To this end, the members of the Company are requested to fully cooperate with the Resolution Professional.

DIRECTORS' REPORT (For the Financial year 2021-22)

To, The members, Videocon Industries Limited

Pursuant to an application filed before the Hon'ble National Company Law Tribunal, Mumbai ("NCLT" / "Adjudicating Authority") under Section 7 of the Insolvency and Bankruptcy Code, 2016 ("IBC" / "the Code") against Videocon Industries Limited ("Corporate Debtor") / "the Company"), the Adjudicating Authority had admitted the application for the initiation of the corporate insolvency resolution process ("CIRP") of the Corporate Debtor vide an order dated June 6, 2018 and appointed Mr. Anuj Jain as the insolvency resolution professional ("CIRP Commencement").

Thereafter, separate applications were filed by State Bank of India (on behalf of all the financial creditors) and Mr. Venugopal Dhoot (one of the promoters of the Videocon group) for the consolidation of the Corporate Debtor along with other group companies. The Adjudicating Authority, vide its order dated August 8, 2019, allowed State Bank of India's application by, inter alia, (i) allowing the consolidation of the CIRP of the Corporate Debtor with that of 12 other Videocon group companies (collectively referred to as the "Corporate Debtors", "Videocon Group Entities"); and (ii) appointing Mr. Mahender Kumar Khandelwal as the insolvency resolution professional for the Videocon Group Entities.

Subsequently, the first meeting of the consolidated committee of creditors of the Corporate Debtors ("CoC") was held on September 16, 2019. At the first meeting of the CoC, the CoC approved the name of Mr. Abhijit Guhathakurta as the resolution professional for the Videocon Group Entities, including the Corporate Debtor in place of Mr. Mahender Kumar Khandelwal. Mr. Abhijit Guhathakurta's appointment as the resolution professional of the Videocon Group Entities ("Resolution Professional", "RP") was approved by the Adjudicating Authority vide its order dated September 25, 2019. A copy of the said order of the Adjudicating Authority was made available to the Resolution Professional on September 27, 2019 when the same was uploaded on the website of the Adjudicating Authority.

On and from the date of publication of the aforesaid order, the powers of the board of directors of the Corporate Debtor stood vested in the Resolution Professional.

Thereafter, CoC had approved the resolution plan submitted by Twin Star Technologies Limited (the "**Resolution Plan**"), by passing the requisite resolution with 95.09% majority/voting share in accordance with the provisions of Section 30(4) of the Code. The said Resolution Plan, as approved by the CoC, had been filed with the NCLT in accordance with the Section 30(6) of the Code for its approval on December 15, 2020. Further, NCLT vide order dated June 08, 2021 ("Approval Order"), approved the resolution plan submitted by Twin Star Technologies Limited ("Approved Plan").

In terms of the Approved Plan, a steering committee had been constituted ("Steering Committee"). The Steering Committee in its meeting held on June 18, 2021 had appointed the Resolution Professional, Mr. Abhijit Guhathakurta, as the interim manager of the Corporate Debtors ("Interim Manager"), for undertaking the management and control the Company, from the date of Approval Order till the completion of the implementation process on the Closing Date (as provided under the Approved Plan).

However, pursuant to the appeals filed by three dissenting financial creditors (among others) before the Hon'ble National Company Law Appellate Tribunal, New Delhi (the "NCLAT"), the Hon'ble NCLAT, vide its order dated July 19, 2021 in the said Appeals (the "Stay Order"), inter-alia stayed the operation of the Approval Order till the next date of hearing and ordered the maintenance of status quo ante as before passing of the Approval Order. Further, as per the Stay Order, the Resolution Professional was directed to continue to manage the 13 Videocon Group Entities as per the provisions of the Code till the next date of hearing.

Later on, the NCLAT vide its final order dated January 05, 2022 set aside the Approval Order and remitted back the matter to the COC for completion of the process relating to CIRP in accordance with the provisions of the Code (the, "NCLAT Final Order"). Subsequently, pursuant to the NCLAT Final Order, the COC in their meeting held on January 12, 2022, decided to invite afresh expressions of interest for submission of a consolidated resolution plan for Corporate Debtors in accordance with IBC and CIRP Regulations.

However, Twin Star Technologies Limited challenged the NCLAT Final Order in Civil Appeals bearing numbers 509, 512 and 894 of 2022 before the Hon'ble Supreme Court ("SC Appeals"). The SC Appeals were listed on February 14, 2022, on which date, the Hon'ble Supreme Court made oral remark to the Resolution Professional and COC to not proceed further with the CIRP of the Corporate Debtors till any further orders in subsequent hearings. Pursuant to these oral remarks of the Hon'ble Supreme Court, the status quo is being preserved in the current CIRP of Corporate Debtors till further orders/directions of the Hon'ble Supreme Court. Therefore, the Resolution Professional continues to manage the Videocon Group Entities (including the Company), as per the provisions of the Code. As a result, the powers of board of directors of the Corporate Debtor are being exercised by the Resolution Professional in terms of provisions of Section 25 of the Code.

At the time of commencement of CIRP, there were three (3) Directors on the board of the Company, (i) Mr. Venugopal Nandlal Dhoot, (ii) Mr. Subhash Shamsunder Dayama and (iii) Mrs. Sarita Sanjay Surve, collectively referred to as the 'Erstwhile Directors'. Post commencement of CIRP, the members at the general meeting held on December 17, 2018 had dissented the resolution for the appointment of Mr. Venugopal N Dhoot as director of the Company on account of majority of the Promoters, Promoters' Group and person acting in concert dissenting to the said resolution i.e., voting against the resolution. However, the committee of creditors of the Company has not approved the resultant change in the management of the Company as required in terms of the Section 28 of the Code, in light of the ongoing CIRP of the Company. Thus, Mr. Venugopal Dhoot continues to be designated as a Director of the Company.

After appointment of Mr. Abhijit Guhathakurta as the Resolution Professional of the Company, the Company started examining and effectuating applicable outstanding compliances, by collating and verifying various data of the Company. During such examination of details, the Company became aware that Mr. Subhash Shamsunder Dayama had incurred disqualification u/s 164(2) of the Companies Act, 2013 (the "Companies Act"). Also, Mrs. Sarita Sanjay Surve, resigned from the directorship of the Company w.e.f. June 27, 2022 which was placed before the CoC for its consideration. The relevant DIR-12 forms for cessation of their directorship could not be filed with Ministry of Corporate Affairs ("MCA") because of the technical difficulties on the MCA portal as the number of available directors falls below the minimum requirement of 3 directors. It is clarified that the aforesaid directors continued to be responsible for the affairs of the Company up to the date the Company recognized their disqualification/vacation and took the same on record.

The Resolution Professional with the necessary approval of the COC, had also appointed Mr. Satish Motilal Totala as the Whole-Time Director of the Company w.e.f. October 5, 2020 for the purpose of complying with statutory requirements under the Companies Act and the Company had filed e-form DIR-12 to that effect.

It may also be noted that Mr. Satish Motilal Totala and Mr. Venugopal N Dhoot have incurred disqualification under section 164(2) of the Companies Act from October 31, 2022 due to the non-filing of financial statements and annual return of the Company for the last three financial years i.e. for the financial year 2019-20, 2020-21 and 2021-22. However, in terms of the first proviso to section 167(1)(a) of the Companies Act the said Directors do not vacate their office in the Company.

Thus, presently there are 2 (Two) Director on the suspended board of the Company namely Mr. Satish Motilal Totala and Mr. Venugopal N Dhoot .

In relation to Key Managerial Personnel, there is no Chief Financial Officer ("CFO") on the Board of the Company. Ms. Samridhi Kumari is acting as the Company Secretary ("CS"). Further, while the tenure of Mr. Venugopal Nandlal Dhoot as Managing Director and Chairman of the Company had ended on August 31, 2020, he continues to be designated as the Chief-Executive Officer of the Company in terms of his appointment on November 16, 2016.

As it was explained in financial statements for FY 2019-20, there were several challenges faced for finalizing audited financial statements for FY-19-20. Unless the financial statements for FY 19-20 were finalized, Financial Statements for FY 20-21 and consequently 21-22 could not be completed. Thus, this report of directors of the Company for the financial year ended March 31, 2022 could not be finalised and the annual general meeting of the shareholders for adoption of the financial statements along with this report could not be convened earlier.

Further, requisite financial statements of the Subsidiaries, Joint Ventures and Associates are also not made available to the Company for preparing consolidated financial statements. In this regard, the Resolution Professional has also filed an application with Hon'ble NCLT under section 19 of the Code seeking cooperation from promoters and erstwhile management of the Company. AUDITORS AND THEIR REPORTS

1. STATUTORY AUDITORS:

The erstwhile statutory auditors of the Company, M/s S. Z. Deshmukh & Co., Chartered Accountants, Mumbai had tendered their resignation dated October 8, 2021 (received by the Resolution Professional on October 11, 2021) w.e.f. financial year commencing from April 1, 2019.

In terms of section 17 of the Code, any change in the terms of appointment of the statutory auditor requires approval of the Committee of Creditors. Accordingly, basis the written consent and certificate submitted by M/s KVA and Co., Chartered Accountants (Firm Registration No. 017771C), in terms of the provisions of section 139 (1) of the Companies Act read with Rule 4 the Companies (Audit and Auditors) Rules, 2014, the CoC, at its meeting held on June 8, 2022 (with e-voting concluded on June 17, 2022), had approved appointment of M/s KVA and Co. as the Statutory Auditors of the Company for the term period of five (5) years from the financial year April 1, 2019 to March 31, 2024.

Thus, in terms of the provisions of Section 139 of the Companies Act and the Rules made thereunder, M/s KVA & Company, Chartered Accountant (Firm Reg. No: 017771C) shall hold office till the conclusion of annual general meeting of the Company to be held for financial year ended on March 31, 2024.

2. STATUTORY AUDIT REPORT:

M/s KVA & Company, Chartered Accountant (Firm Reg. No: 017771C), the Statutory Auditors of the Company have submitted Auditors Report, which has qualifications, disclaimers and observations on the financial statements, compliance with other Legal & Regulatory Requirements and adequacy and effectiveness of Internal Financial Controls, for the financial year ended on March 31, 2022.

Auditors Qualification:

The qualifications, disclaimers and observations raised by the Statutory Auditors in their report for the period ended on March 31, 2022 is set out and marked as 'Annexure 4'.

In response to the qualifications / observations raised by the Statutory Auditor, the Resolution Professional re-iterates that-he has relied on the confirmations provided by the Group Resources who have prepared the Financial Statements of the Company basis the available data. Further, as explained in the notes to accounts of the Financial Statements:

- a) As it was explained in financial statements for FY 19-20, the Group Resources and the RP (including his team) have relied on the opening Balance Sheet and the balances reflected in available accounts / ledgers/ trial balance as on March 31, 2019 without going into the merits of such balances outstanding. No adjustments have been made to such accounts / balances except for giving effect to the transactions entered subsequently from April 1, 2019.
- b) since the Company is under CIRP and various Prospective Resolution Applicants ("PRAs") were conducting their independent due-diligence for submitting a resolution plan, it was material to ensure that any change in books of the Corporate Debtor on account of revaluation of assets, impairment assessment, ascertainment of Fair Market Value of assets etc. does not provide any indicative pricing on the assets of the Corporate Debtor to the PRAs. Thus, in the interest of value maximization under CIRP for all stakeholders, certain assets like property plant and equipment, unquoted investments, loan & advances, inventories etc. have been recorded at their carrying values after relevant adjustments for actual transactions undertaken during the financial year. Also, no additional provision has been made on outstanding receivables.
- c) an independent Transaction Review Audit was conducted as required under section 43-66 of IBC for identification of Preferential, Undervalued, Extortionate, and Fraudulent transactions as defined and explained under IBC. The resultant observations from the Audit had indicated that there may be certain questionable accounting entries and/or transactions entered into before commencement of CIRP. In this regard, RP in compliance of his duties under the IBC has filed an application with NCLT to declare such transactions as void and be set aside. Adjustments, if any, for such transaction(s) may be made upon further directions from NCLT and/or upon any order being passed by NCLT.
- d) there are ongoing investigations against Videocon Group Entities by different government agencies. The Resolution Professional has been fully supportive and cooperative in the investigation being carried out by the statutory investigative agencies, including SFIO and ED.
- e) the Resolution Professional has filed an applications with Hon'ble NCLT under section 19 of the Code seeking co-operation from promoters and erstwhile management of the Company, for providing various data, including those that are required for preparing Financial Statements and data requested by various investigating agencies. The requested data is still not made available to the Resolution Professional. Thus, in the absence of required relevant data, the Financials Statements have been prepared on the basis of available data on best effort basis.
- f) In light of the aforesaid reasons, confirmations and reconciliation of balances of certain trade receivables, trade and other payables and loans and advances could also not be obtained.
- g) Post assumption of office of the Resolution Professional, all payments are being approved only by the Resolution Professional (with requisite approval from the CoC, wherever required as per applicable provisions of the Code). The Company has established effective controls for monitoring CIRP period transactions undertaken post assumption of office of the Resolution Professional.
- h) Considering the Company is being run as a going concern under CIRP, the financial statements have been prepared on going concern basis.

Thus, owing to various financial and operational constraints including but not limited to non-cooperation from Erstwhile Directors/ management and promoters of the Company, non-availability of detailed books of accounts and various supporting documents and records for pre-CIRP period, resignation of past employees / consultants from accounts function, the preparation of Financial Statements of the Company has faced several limitations. The RP had taken necessary steps under the Code to seek the requisite data and had further filed application under Section 19 of the Code seeking requisite cooperation and data from promoters and erstwhile management of the Company, and the requisite data has still not been made available, and the proceedings before the Hon'ble NCLT against the erstwhile management of the Company for seeking the necessary information and cooperation remains sub-judice.

3. COST AUDITOR AND COST AUDIT REPORT:

Subsequently, the first meeting of the consolidated committee of creditors of the Corporate Debtors ("CoC") was held on September 16, 2019. At the first meeting of the CoC, the CoC approved the name of Mr. Abhijit Guhathakurta as the resolution professional for the Videocon Group Entities, including the Corporate Debtor in place of Mr. Mahender Kumar Khandelwal. Mr. Abhijit Guhathakurta's appointment as the resolution professional of the Videocon Group Entities ("Resolution Professional", "RP") was approved by the Adjudicating Authority vide its order dated September 25, 2019. A copy of the said order of the Adjudicating Authority was made available to the Resolution Professional on September 27, 2019 when the same was uploaded on the website of the Adjudicating Authority.

On and from the date of publication of the aforesaid order, the powers of the board of directors of the Corporate Debtor stood vested in the Resolution Professional.

Thereafter, CoC had approved the resolution plan submitted by Twin Star Technologies Limited (the "**Resolution Plan**"), by passing the requisite resolution with 95.09% majority/voting share in accordance with the provisions of Section 30(4) of the Code. The said Resolution Plan, as approved by the CoC, had been filed with the NCLT in accordance with the Section 30(6) of the Code for its approval on December 15, 2020. Further, NCLT vide order dated June 08, 2021 ("Approval Order"), approved the resolution plan submitted by Twin Star Technologies Limited ("Approved Plan").

In terms of the Approved Plan, a steering committee had been constituted ("Steering Committee"). The Steering Committee in its meeting held on June 18, 2021 had appointed the Resolution Professional, Mr. Abhijit Guhathakurta, as the interim manager of the Corporate Debtors ("Interim Manager"), for undertaking the management and control the Company, from the date of Approval Order till the completion of the implementation process on the Closing Date (as provided under the Approved Plan).

However, pursuant to the appeals filed by three dissenting financial creditors (among others) before the Hon'ble National Company Law Appellate Tribunal, New Delhi (the "NCLAT"), the Hon'ble NCLAT, vide its order dated July 19, 2021 in the said Appeals (the "Stay Order"), inter-alia stayed the operation of the NCLT Approval Order till the next date of hearing and ordered the maintenance of status quo ante as before passing of the NCLT Approval Order. Further, as per the Stay Order, the Resolution Professional was directed to continue to manage the 13 Videocon Group Entities as per the provisions of the Code till the next date of hearing.

Later on, the NCLAT vide its final order dated January 05, 2022 set aside the Approval Order and remitted back the matter to the COC for completion of the process relating to CIRP in accordance with the provisions of the Code (the, "NCLAT Final Order"). Subsequently, pursuant to the NCLAT Final Order, the COC in their meeting held on January 12, 2022, decided to invite afresh expressions of interest for submission of a consolidated resolution plan for Corporate Debtors in accordance with IBC and CIRP Regulations.

However, Twin Star Technologies Limited challenged the NCLAT Final Order in Civil Appeals bearing numbers 509, 512 and 894 of 2022 before the Hon'ble Supreme Court ("SC Appeals"). The SC Appeals

were listed on February 14, 2022, on which date, the Hon'ble Supreme Court made oral remark to the Resolution Professional and COC to not proceed further with the CIRP of the Corporate Debtors till any further orders in subsequent hearings. Pursuant to these oral remarks of the Hon'ble Supreme Court, the status quo is being preserved in the current CIRP of Consolidated Corporate Debtors till further orders/directions of the Hon'ble Supreme Court. Therefore, the Resolution Professional continues to manage the Videocon Group Entities (including the Company), as per the provisions of the Code. As a result, the powers of board of directors of the Corporate Debtor are being exercised by the Resolution Professional in terms of provisions of Section 25 of the Code.

As elaborated in the Directors' Report, the pre-CIRP director is not co-operating with the RP and there is no CFO available with the Company as on the date of this report.

Further, pursuant to Consolidation of CIRP of Videocon Group Entities, including the Company and due to limited availability of resources and various other operational constraints involved, the entire accounting and secretarial compliances of Videocon Group Entities (including the Corporate Debtor) are being collectively managed by employees, officials and consultants of Videocon Group Entities (hereinafter referred to as "Group Resources").

In this regard, we have not been provided any copy of notice/report/information/documents on such Transaction Review Audit and ongoing investigations. Hence, we are unable to comment on necessary changes that may be required in the Financial Statements at this stage.

19) The Company has mentioned in Note 60 of the Financial Statements that, considering the Company is being run as a going concern under CIRP, the Financial Statements have been prepared on going concern basis. However, we found Material uncertainty relating to Going Concern assumption applied to the Financial Statements. The Company has been referred to National Company Law Tribunal under the Insolvency and Bankruptcy Code, 2016, there is considerable decline in level of operations of the Company, and net worth of the Company reported at INR (186,805.63) Million as on the reporting date is negative and it continues to incur losses. The Company is a co-obligor and has received demand notices in respect of borrowings of other co-obligors/borrowers. Thus, there exists a material uncertainty about the ability of the Company to continue as a "Going Concern". The same is dependent upon the outcome of SC Appeals and /or any other developments on the resolution process of Videocon Group Entities. The appropriateness of the preparation of Financial Statements on going concern basis is critically dependent upon CIRP as specified in the Code. Necessary adjustments required on the carrying amount of assets and liabilities are not ascertainable. Further we are unable to comment on the remarks / explanation provided by the Company under Note No. 52 to the Financial Statements in relation to the Analytical Ratios.

For the matters mentioned in para no (1) to (19) above, we are unable to determine the adjustments that are necessary in respect of Company's assets, liabilities as on Balance sheet date, income and expenses for the year, cash flow statement and related presentation and disclosures in Financial Statements so we disclaim to form any opinion on the Financial Statements.

We further inform that we were appointed as the Statutory Auditor of the Company only on June 27, 2022 for conducting Statutory Audit from FY 2019-20. For the matters stated in the "Basis for Disclaimer of Opinion paragraph above", we are not cognizant of matters that pertain to/transpired in earlier financial years (i.e. prior to FY 19-20) and hence cannot be implicated in ongoing proceedings for matters contained herein, which relate to earlier financial years.

COMPLIANCE CERTIFICATE ON CORPORATE GOVERNANCE

То

The Members of VIDEOCON INDUSTRIES LIMITED (the "Company")

Pursuant to an application filed before the Hon'ble National Company Law Tribunal, Mumbai ("NCLT" / "Adjudicating Authority") under Section 7 of the Insolvency and Bankruptcy Code, 2016 ("IBC" / "the Code") against Videocon Industries Limited ("Corporate Debtor") / "the Company"), the Adjudicating Authority had admitted the application for the initiation of the corporate insolvency resolution process ("CIRP") of the Corporate Debtor vide an order dated June 06, 2018 and appointed Mr. Anuj Jain as the Insolvency Resolution Professional ("CIRP Commencement").

Thereafter, separate applications were filed by State Bank of India (on behalf of all the financial creditors) and Mr. Venugopal Dhoot (one of the promoters of the Videocon group) for the consolidation of the Corporate Debtor along with other group companies. The Adjudicating Authority, vide its order dated August 08, 2019, allowed State Bank of India's application by, inter alia, (i) allowing the consolidation of the CIRP of the Corporate Debtor with that of 12 other Videocon group companies (collectively referred to as the "Corporate Debtors", "Videocon Group Entities"); and (ii) appointing Mr. Mahender Kumar Khandelwal as the Insolvency Resolution Professional for the Videocon Group Entities.

Subsequently, the first meeting of the consolidated committee of creditors of the Corporate Debtors ("CoC") was held on September 16, 2019. At the first meeting of the CoC, the CoC approved the name of Mr. Abhijit Guhathakurta as the resolution professional for the Videocon Group Entities, including the Corporate Debtor in place of Mr. Mahender Kumar Khandelwal. Mr. Abhijit Guhathakurta's appointment as the Resolution Professional of the Videocon Group Entities ("Resolution Professional", "RP") was approved by the Adjudicating Authority vide its order dated September 25, 2019. A copy of the said order of the Adjudicating Authority was made available to the Resolution Professional on September 27, 2019 when the same was uploaded on the website of the Adjudicating Authority.

On and from the date of publication of the aforesaid order, the powers of the board of directors of the Corporate Debtor stood vested in the Resolution Professional.

Thereafter, CoC had approved the resolution plan submitted by Twin Star Technologies Limited (the "Resolution Plan"), by passing the requisite resolution with 95.09% majority/voting share in accordance with the provisions of Section 30(4) of the Code. The said Resolution Plan, as approved by the CoC, had been filed with the NCLT in accordance with the Section 30(6) of the Code for its approval on December 15, 2020. Further, NCLT vide order dated June 08, 2021 (Approval

Order"), approved the resolution plan submitted by Twin Star Technologies Limited ("Approved Plan").

In terms of the Approved Plan, a steering committee had been constituted ("Steering Committee"). The Steering Committee in its meeting held on June 18, 2021 had appointed the Resolution Professional, Mr. Abhijit Guhathakurta, as the interim manager of the Corporate Debtors ("Interim Manager"), for undertaking the management and control the Company, from the date of Approval Order till the completion of the implementation process on the Closing Date (as provided under the Approved Plan).

However, pursuant to the appeals filed by three dissenting financial creditors (among others) before the Hon'ble National Company Law Appellate Tribunal, New Delhi (the "NCLAT"), the Hon'ble NCLAT, vide its order dated July 19, 2021 in the said Appeals (the "Stay Order"), inter-alia stayed the operation of the Approval Order till the next date of hearing and ordered the maintenance of status quo ante as before passing of the Approval Order. Further, as per the Stay Order, the Resolution Professional was directed to continue to manage the 13 Videocon Group Entities as per the provisions of the Code till the next date of hearing.

Later on, the NCLAT vide its final order dated January 05, 2022 set aside the Approval Order and remitted back the matter to the COC for completion of the process relating to CIRP in accordance with the provisions of the Code (the, "NCLAT Final Order"). Subsequently, pursuant to the NCLAT Final Order, the COC in their meeting held on January 12, 2022, decided to invite afresh expressions of interest for submission of a consolidated resolution plan for Corporate Debtors in accordance with IBC and CIRP Regulations.

However, Twin Star Technologies Limited challenged the NCLAT Final Order in Civil Appeals bearing numbers 509, 512 and 894 of 2022 before the Hon'ble Supreme Court ("SC Appeals"). The SC Appeals were listed on February 14, 2022, on which date, the Hon'ble Supreme Court made oral remark to the Resolution Professional and COC to not proceed further with the CIRP of the Corporate Debtors till any further orders in subsequent hearings. Pursuant to these oral remarks of the Hon'ble Supreme Court, the status quo is being preserved in the current CIRP of Corporate Debtors till further orders/directions of the Hon'ble Supreme Court. Therefore, the Resolution Professional continues to manage the Videocon Entities (including the Company), as per the provisions of the Code. As a result, the powers of board of directors of the Corporate Debtor are being exercised by the Resolution Professional in terms of provisions of Section 25 of the Code.

CERTIFICATE ON NON-DISQUALIFICATION OF DIRECTORS

[Pursuant to Regulation 34(3) and Schedule V Para C clause (10)(i) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015]

To

The Members of VIDEOCON INDUSTRIES LIMITED 14. K.M Stone, Aurangabad Paithan Road, Village Chittegaon, Taluka Paithan, Aurangabad - 431105

Subject: Certificate under Regulation 34(3) and Schedule V Para C clause (10)(i) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015)

I have examined the records, forms, and other documents of Videocon Industries Limited having CIN L999999MH1986PLC103624; registered office at 14. K.M Stone, Aurangabad Paithan Road, Village Chittegaon, Taluka Paithan, Aurangabad -431105 (hereinafter referred to as 'the Company'), produced before me for the purpose of issuing this Certificate, in accordance with Regulation 34(3) read with Schedule V Para-C Sub clause 10(i) of the Securities Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 for the Financial year ended March 31, 2022.

Status of Disgualification/Non - disgualification as at April 1, 2021:

In my opinion and to the best of my information and according to the verifications (including Directors Identification Number (DIN) status at the portal www.mca.gov.in; list of entities debarred by Securities and Exchange Board of India, as uploaded on the website of BSE Limited (BSE) and National Stock of Exchange of India Limited (NSE) and based on the explanation furnished to me by the Company and its officers; and based on the explanation, declarations and representations received previously from its Directors, I hereby report that the Company, prior to commencement of Corporate Insolvency Resolution Process (CIRP), was in default of repayment of principal amount of U.S.\$75.2 Million and interest thereof for a period of more than 1 (One) year in respect of FCCBs issued. Thus, in terms of the provisions of Section 164(2)(b) of the Companies Act, 2013, the Board of Directors of the Company incur disqualification.

Company Secretary Off: 402, Turquoise, Nyati Empire, Kharadi, Pune – 411014 Mobile: +91 9960184564 Email: <u>girish.gayathri@gmail.com</u>

Further, in terms of Section 167(1)(a) of the Companies Act, 2013, the office of the directors shall become vacant in case they incur any of the disqualification specified in Section 164, provided that the office shall become vacant in all the companies, other than the company which is in default.

The Directors of the Company had previously represented that they do not incur disqualification under section 164(2)(b), because the FCCB transaction was under duress and the matter is sub-judice.

However, in my opinion, consequent to default in repayment of the FCCBs, the following Directors of the Company as at the commencement of the year under review i.e., as on April 01, 2021 are disqualified under Section 164(2)(b) of the Companies Act, 2013 and, accordingly, they vacate office in all other companies other than the Company which is in default under that sub-section i.e. Videocon Industries Limited:

No.	Name of Director	DIN	Date of Appointment
1.	Venugopal Nandlal Dhoot	00092450	01/09/2015
2.	Subhash Shamsunder Dayama	00217692	14/05/2016
3.	Sarita Sanjay Surve	07728829	11/02/2017

Mr. Satish Motilal Totala (DIN: 08901288) was appointed as the Whole-Time Director of the Company w.e.f. October 5, 2020. Accordingly, in terms of Section 164(2)(b), he does not attract any disqualification for a period of six months from his date of appointment for default in repayment of FCCBs. Further, in view of the moratorium on the all the past dues (pre-CIRP dues), the provision of six months will not become effective and, accordingly, the said director doesn't attract any disqualification even beyond 6 months. However, in absence of the clear provisions in the Companies Act, 2013 with regards to this and considering the provisions of IBC supersedes, without qualifying, I am drawing attention to the same.

Status of Disqualification/Non - disqualification as at the financial year ended on March 31, 2022 :

 Post commencement of CIRP, the members at the Annual General Meeting held on December 17, 2018 wherein majority of the Promoters, Promoters' Group and person acting in concert had dissented the resolution for the appointment of Mr. Venugopal N Dhoot (DIN: 00092450) as director of the Company. However, the Committee of Creditors of the Company has not approved the resultant change in the management of the Company as required in terms of Section 28 of the Insolvency and Bankruptcy Code, 2016, in light of the ongoing CIRP of the Company Thus, Mr. Venugopal

Dhoot continued to be designated as a Director of the Company. The tenure of Mr. Venugopal Nandlal Dhoot as Managing Director and Chairman of the Company has ended on August 31, 2020. The DIN: 00092450 of Mr Venugopal N Dhoot has also been de-activated by the Ministry of Corporate Affairs effective 1st October, 2022 due to non-completion of KYC.

- Further, based on the independent evaluation carried out by the Company, it appeared that Mr Subhash S Dayama (DIN:00217692) has incurred disqualification under Section 164(2) of the Companies Act, 2013 and the Rules made thereunder and further vacated the office of Director in the Company in terms of Section 167 (1) (a) of the Companies Act, 2013. The Company has however, not received Form DIR 8 from Mr. Subhash S Dayama to this effect. Further his tenure as an Independent Director has also ended on 13th May, 2021.
- Mr. Satish Motilal Totala (DIN: 08901288) was appointed as the Whole-Time Director of the Company w.e.f. October 5, 2020 for a tenure of two years and further extended for one year effective October 5, 2022.

It is clarified that notwithstanding the above, none of the following Directors of the Company as detailed hereinbelow have been debarred or disqualified from being appointed or continuing as Directors of companies by the Securities and Exchange Board of India (SEBI), Ministry of Corporate Affairs (MCA) on any other grounds or debarred/disqualified by any such other Statutory Authority as at March 31, 2022:

1.	Venugopal Nandlal Dhoot	00092450	01/09/2015
2.	Satish Totala	08901288	05/10/2020
3.	Sarita Sanjay Surve	07728829	11/02/2017

Status of Disgualification/Non - disgualification as on date:

As at the date of issuance of this certificate, the status of eligibility/continuity of directors of Videocon Industries Limited is as follows:

- Mrs. Sarita Sanjay Surve (DIN: 07728829), resigned from the directorship of the Company w.e.f. June 27, 2022.
- Based on my examination, Videocon Industries Limited has not filed financial statements or annual returns for a continuous period of three financial years i.e., 2019-2020, 2020-2021 and 2021-2022, and accordingly all the directors who were directors as on October 30, 2022, attract the disqualification under section 164 (2)(a) of the Companies Act, 2013 ("Effective Date of Disqualification") and consequently they shall vacate office in all the companies, other than the Company in default i.e., Videocon Industries Limited.

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by M/s. Videocon Industries Limited, (hereinafter referred to the "Company"), a company under the corporate insolvency resolution process ("CIRP") under the Insolvency and Bankruptcy Code, 2016 (the "Code") for the financial year ended March 31, 2022 (the "Audit Period").

The Resolution Professional has filed an application with Hon'ble NCLT under Section 19 of the Code seeking co-operation from promoters and erstwhile management of the Company, for providing various data pertaining to the Company.

Auditor's Responsibility

The Secretarial Audit was conducted in a manner that provided me reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon. The responsibility of the Auditor is to express opinion on the compliance with the applicable laws and maintenance of records based on audit. The audit has been conducted in accordance with the applicable ICSI Auditing Standards. These standards require that the auditor comply with the statutory and regulatory requirements and plan and perform the audit to obtain reasonable assurance about compliance with applicable laws and maintenance of records.

Due to the inherent limitations of the audit as stated in the para on Disclaimer of Opinion, there is an element of unavoidable risk that some mis-statements or material non compliances may not be detected even though the audit is properly planned and performed in accordance with the standards.

Disclaimer of Opinion:

In view of the Company being into CIRP, the decisions taken by the Resolution Professional and/or the decisions/resolutions passed by the Committee of Creditors are material as the power of the Board of Directors is suspended. However, as I am not privy to the minutes of the Committee of Creditors or the decisions taken by the Resolution Professional, I am unable to comment on the impact of the said decisions/resolutions by the Resolution Professional and Committee of Creditors even though I am aware that all such decisions may be in the interest of the Company or other stake holders. Further, I am unable to comment on compliances, if any, arising/required in respect of the decisions/resolutions of the Resolution Professional and Committee of Creditors.

I have examined compliance with the applicable clauses of the following:

I have relied on the representation made by the Company and its officers for the systems and mechanisms formed by the Company for compliances under applicable Acts, Rules, Laws and Regulations to the Company.

I have not examined the Compliance by the Company:

- with other laws including applicable labour, industrial, environmental and other industry specific laws (as informed and certified by the Officials of the Company which are specifically applicable to the Company based on its industry/sector) since the compliance and monitoring of the said laws are to be ensured by the management of the Company;
- with the applicable financial laws like direct and indirect laws, since the same have been subject to review by the statutory financial audit undertaken by other designated professionals.

During the period under review, the Company has generally complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards etc., subject to the following observations:

- I. Under the Companies Act, 2013:
- During the year, the Company has not appointed Internal Auditor as required in terms of provisions of Section 138 of the Act read with Rule 13 of Companies (Accounts) Rules, 2014.
- Mr. Satish Totala was appointed as Whole-Time Director with effect from October 05, 2020 for a tenure of two years and further extended for a tenure of one year effective October 05, 2022, pursuant to the approval of Committee of Creditors. In relation to appointment of Mr. Satish Totala, whose tenure was extended, I would like to draw attention, without qualifying, to the provision of Section 196 read with Schedule V, pursuant to which his appointment is required to be approved at the next general meeting. Further, in terms of Proviso (ii) to Section II of Part II in Schedule V, in case the company is in default in repayment of any of its debts (including deposits) or debentures or interest payable thereon for a continuous period of thirty days in the preceding financial year, approval of the lenders shall be obtained. However, in the instance case, as the appointment of Mr. Satish Totala was approved by the COC, it is a deemed compliance of the said provision. Further, till the date of issuance of this report, no general meeting was held; hence his appointment remains subject to confirmation/approval of the members at the next general meeting as and when held.
- The Company has till date, not filed the Return of Appointment of Managerial Personnel in Form MR-1 pursuant to Rule 3 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 for the appointment of Mr. Satish Totala as Whole-Time Director of the Company.
- The Board comprised of One Independent Director during the year. The said Independent Director of the Company is not registered under the Companies (Creation and Maintenance of databank of Independent Directors) Rules, 2019 read with the Companies (Appointment and Qualification of Directors) Fifth Amendment Rules, 2019.
- The Company has not received any declaration from the Independent Director in accordance with Section 149(6) of the Companies Act, 2013 and Clause 16 (1)(b) of SEBI LODR.
- The Performance Evaluation of the Board was not carried out during the year under review under Section 134 of the Companies Ac, 2013t read with the Companies (Accounts Rules), 2014.

Company Secretary Off: 402, Turquoise, Nyati Empire, Kharadi, Pune – 411014 Mobile :+91 9960184564 Email :girish.gayathri@gmail.com

- Based on the independent evaluation carried out by the Company, it was noticed that one of the erstwhile independent directors of the Company, Mr. Subhash S Dayama, had incurred disqualification under Section 164 (2) of the Companies Act, 2013 and accordingly he ought to have vacated the office of director during the year 2021-2022. The Company has not filed Form DIR 12 for cessation of director in the said instance till date. Further his tenure as Independent Director has ceased on May 13, 2021.
- The Directors of the Company have failed to disclose their interest in terms of Section 184 (1) of the Companies Act, 2013 read with Rule 9 of the Companies (Meeting of the Board and its Powers) Rules, 2014 during the year in Form MBP 1.
- The Directors of the Company have not furnished any disclosure as per Section 164 (2) of Companies Act, 2013 and Rule 14 (1) of Companies (Appointment and Qualification of Directors) Rules, 2014 in Form DIR 8 during the year under review.
- The members of the Company at the Annual General Meeting held on December 17, 2018 had dissented the resolution for the appointment of Mr. Venugopal N Dhoot as director of the Company, on account of majority of the Promoter (s), Promoter Group and Persons Acting in Concert dissenting to the said resolution. Thus, in terms of the provisions of the Companies Act, 2013, Mr. Venugopal N Dhoot ceased to be Director and consequently the Chairman and Managing Director of the Company. However, the Committee of Creditors have not approved the resultant change in the management of the Corporate Debtor as required under Section 28 of the Insolvency and Bankruptcy Code, 2016 and Mr. Venugopal N Dhoot continues to be director in the Company.

I would like to draw attention to Regulation 17(1)(C) of the SEBI LODR that appointment/reappointment of a person including a managing director or a whole-time director or a manager who was earlier rejected by the shareholders at a general meeting, shall be done only with the prior approval of the shareholders. Nevertheless, it is pertinent to note that in accordance with Regulation 28 of the Insolvency and Bankruptcy Code, 2016 ('IBC'), the Resolution Professional shall not take certain actions without the prior approval of the Committee of Creditors ('CoC') inter-alia including making any change in the management of the Corporate Debtor or its Subsidiaries. As such, considering the fact that the IBC overrides the provisions of the Companies Act, 2013, the said change in management cannot be implemented in view of absence of approval from the CoC. Accordingly, it was construed that his appointment shall remain valid and M.r Venugopal N Dhoot continued to hold office as Chairman and Managing Director of the Company.

 I invite your attention here, that the tenure of Mr Venugopal N Dhoot as Chairman and Managing Director of the Company has ended on August 31, 2020 by virtue of the agreement entered into with the Company on September 01, 2015. However, Mr. Venugopal N Dhoot continues to be designated as the Chief Executive Officer and director of the Company in terms of his appointment on November 16, 2016.

As mentioned in my previous audit report for year ended 2021, it is reiterated that in view of the absence of approval of the Committee of Creditors to give effect to the change in management/cessation of Mr. Venugopal N Dhoot as Chairman and Managing Director, I am unable to comment on the applicability of filing Form DIR 12 for the said instance.

- Taking into cognizance the above, in my opinion, the Board of Directors of the Company does not have a proper balance and an optimum combination of Executive, Non-Executive and Independent Directors in terms of Regulation 17 of SEBI (Listing Obligations and Disclosure Requirements), 2015. The role and responsibilities of the Board is being fulfilled by the Resolution Professional of the Company.
- Further, in my opinion, the Company is not in compliance with Section 149(1) (a) with regards to minimum number of directors in view of the ineligibility of some of the Board members to continue the office of Director in terms of the provisions of the Act.
- The Company is also not in compliance with requirements of Section 177 and 178 of the Companies Act, 2013 with regards to the composition/minimum number of members of Audit Committee, Nomination and Remuneration Committee, the Risk Management Committee, Stakeholders Relationship Committee and the Corporate Social Responsibility Committee for the year under review. The role and responsibilities of the committees of the Board is being fulfilled by the Resolution Professional of the Company.
- The Company appeared to be under default (prior to CIRP commencement) of repayment of principal amount of USD 75.2 Million and interest thereof for a period of more than 1 (One) year in respect of FCCBs issued consequent to exercise of put option by the holders of the FCCBs. Accordingly, pursuant to the provisions of Section 167(1)(a) of the Companies Act, 2013, the office of the director shall become vacant in all the companies, other than the company which is in default under that sub-section. Further, the Company failed to comply with the requirement of filing e-form DIR-9 pursuant to Section 164 (2) read with rule 14 (2) of the Companies (Appointment And Qualification of Directors) Rules, 2014.

However, in the past (prior to CIRP commencement), the Company has informed that as the matter is sub-judice and the said contract was under duress, no amount has yet become due and payable. Thus, according to the Company, the Board of Directors of the Company does not incur disqualification under Section 164(2)(b) of the Companies Act, 2013 till the time the matter is decided by the appropriate forum. *However, i am of the view that in absence of injunction from appropriate forum, the continuing Directors for the year of review viz., Mr. Venugopal N Dhoot and Ms Sarita Surve are disqualified to hold office as director in any other Company other than the Company of default.* Mr. Satish Motilal Totala, who was appointed as the Whole-Time Director of the Company w.e.f. October 05, 2020, in terms of Section 164(2)(b), does not attract any disqualification for a period of six months from his date of appointment for default in repayment of FCCBs. Further, in view of the moratorium on the all the past dues (pre-CIRP dues), the provision of six months will not become effective and, accordingly, the said director does not attract any disqualification even beyond 6 months. In the absence of the clear provisions in the Companies Act, 2013 with regards to this and considering the provisions of IBC supersedes, without qualifying, I am drawing attention to the same.

During the period under review, the Company has violated the provisions of Section 96 of the Companies Act, 2013 by not convening the annual general meeting within a period of six months from the date of closing of the financial year and/or such extended timelines in view of Covid-19 Pandemic. In view of the outbreak of COVID-19 pandemic, an extension was granted to all the Companies to hold their Annual General Meeting for the financial year ended on March 31, 2021, by a period of 2 (two) months (i.e. upto November 30, 2021), in accordance with the provisions of Sub-section (1) of Section 96 of the Companies Act, 2013 without requiring to file an application for extension of time in holding Annual General Meeting

Company Secretary Off: 402, Turquoise, Nyati Empire, Kharadi, Pune – 411014 Mobile :+91 9960184564 Email :girish.gayathri@gmail.com

The Company has not called and convened the Annual General Meeting for the financial year ended on March 31, 2021 on or before November 30, 2021 and thus violated the provisions of Sub-section (1) of Section 96 of the Companies Act, 2013;

- In terms of Section 92 (4) every company shall, file with the Registrar a copy of the annual return, within sixty days from the date on which the annual general meeting is held or where no annual general meeting is held in any year within sixty days from the date on which the annual general meeting should have been held together with the reason specifying the reasons for not holding the annual general meeting. The Company has not complied with this requirement for the Annual General Meeting for the financial year ended on March 31, 2021.
- In terms of Section 137(2) where the annual general meeting of a company for any year has not been held, the financial statements along with the documents required to be attached under subsection (1) of Section 137 duly signed along with the statements of facts and reason for not holding the annual general meeting shall be filed with the Registrar within thirty days of the last date before which the annual general meeting should have been held. The Company has not complied with this requirement for the Annual General Meeting for the financial year ended on March 31, 2021.
- The Company has not appointed Cost Auditor for the Financial Year 2021-22 in terms of Section 148 of the Companies Act, 2013 read with Rule 6 of the Companies (Cost Records and Audit Rules), 2014 and Rule 14 of the Companies (Audit and Auditors) Rules, 2014.
- The Company has not complied with the provisions of Section 203 of the Companies Act, 2013 read with Rule 8 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 with regards to the appointment of Chief Financial Officer (CFO).
- The Company has not transferred any amount to the Unclaimed and Unpaid account during the period 01st April 2014 to 31st March, 2015 as there were no events relating to declaration of dividend during the said period. Consequently, no unclaimed dividends were due for transfer to the Investor Education and Protection Fund Authority during the financial year 2021-2022. As a matter of clarity, the dividend declared for the period ended on 30th June, 2013 was due for transfer in 2020-21 and the dividend for the financial year (period July 01, 2013 to December 31, 2014), declared at the AGM held on June 27, 2015 has not become due for transfer in the financial year under review. Thus, compliance with the provisions of Section 124 (5), (6) read with Rule 6 of the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 does not arise for the year under review.
- The Company has not filled the casual vacancy caused in the office of the Statutory Auditor during the year under review in accordance with Section 139 (8) of the Companies Act, 2013 i.e., within 30 days of the resignation and also not obtained approval of the members at the general meeting within three months of the recommendation. The Company has with the approval of the Committee of Creditors (COC) filled the vacancy in the office of the Statutory Auditor during the financial year 2022-2023. The statutory auditor so appointed shall hold office for a term of five years commencing April 01, 2019 till March 31, 2024. Considering the Company is into CIRP, the approval of the appointment of Statutory Auditor by COC, is a deemed compliance.

However, it may be noted that till the date of issuance of this report, no general meeting of the Company has been held; hence his appointment still remains subject to confirmation/approval of the members at the next general meeting as and when held.

- I have been informed that in the absence of detailed books of accounts of earlier years, ledger copies, fixed asset register as required to be maintained as part of Books of Accounts under the provisions of section 128(1) of Companies Act, 2013, workings of deferred tax assets/liabilities and contingent liabilities etc., the financial statements have been prepared by the Company on the basis of available data on best effort basis. Hence, I am unable to comment on the compliance with Section 128 of the Companies Act read alongwith the rules thereunder.
- I draw your attention without qualifying that the signing of the Audited Financial Statements for the Financial year ended March 31, 2021 is not in accordance with the provisions of Section 134 of the Companies Act, 2013. The said statements have been considered/approved/signed and taken on record by the Resolution Professional in terms of the powers vested upon him under the Insolvency And Bankruptcy Code, 2016.
- During the period under review, the Company has not filed various E Form with Registrar of Companies during the financial year 2021-22 inter-alia including;

 - b) In view of non-appointment of cost auditor for the previous year ended March 31, 2021, conduct of audit of Cost Accounting records and filing of E-Form CRA-4 (Cost Audit Report) remains pending.
 - c) The Company has filed Form DIR 12 for appointment of Mr Satish Totala as Whole-time Director effective October 05, 2020 with delay during the audit period. Pursuant to the General Circular No. 08/2020 dated March 06, 2020 issued by the Ministry of Corporate Affairs, the filing of Form GNL 2 for the said instance remains pending.
 - d) The Company has not filed E- Form MGT 14 till the date of this report for:
 - (i) appointment of Secretarial Auditor for the Financial year ended March 31, 2020 and March 31, 2021.
 - (ii) approval of Boards' Report and Financial Statements for the Financial year ended March 31, 2020 and March 31, 2021.

- SEBI vide circular SEBI/HO/ISD/ISD/CIR/P/2021/617 dated August 13, 2021 has clarified that those listed companies who have complied with requirements of Circular dated September 09, 2020, the manual filing of disclosures as required under Regulation 7 (2) (a) and (b) of PIT regulations is not mandatory.

The Company has during the year 2022-23 filed the Shareholding Patterns for the quarters of the year under review. going concern nature, ensure continued business operations and in order to maximize value of the assets of Videocon Group Entities.

However, the said provisions/relaxations are not applicable to the Companies which are under Corporate Insolvency Resolution Process in respect of the Company under Section 7 of the Insolvency and Bankruptcy Code, 2016 ("Code") as the powers of the Board of Directors stand suspended. During the year under review, no meetings of the Board or any of the committees were held.
- As per the provisions of IBC and provisions of Regulation 15 (2A) and (2B) of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations 2015 (SEBI (LODR)) as amended from time to time, the provisions specified in regulation 17,18,19 and 21 shall not be applicable during the insolvency resolution process. The provisions as specified in said regulations of the SEBI (LODR) shall not be applicable during the insolvency resolution process period provided that the roles and responsibilities of the board of directors and the committees, specified in the respective regulations, shall be fulfilled by the interim resolution professional or resolution professional. However, Regulation 15(3) of the SEBI LODR, also states that notwithstanding the above exemptions, the provisions of the Companies Act, 2013, shall continue to apply, where-ever applicable. INDEPENDENT AUDITOR'S REPORT

To The Members of VIDEOCON INDUSTRIES LIMITED (Company under Corporate Insolvency Resolution Process "CIRP")

Report on the Audit of the Standalone Financial Statements for Financial Year- 2021-22

Material Background for this Audit Report

Pursuant to an application filed before the Hon'ble National Company Law Tribunal, Mumbai ("NCLT" / "Adjudicating Authority") under Section 7 of the Insolvency and Bankruptcy Code, 2016 ("IBC" / "the Code") against Videocon Industries Limited (the "Corporate Debtor") / "the Company"), the Adjudicating Authority had admitted the application for the initiation of the corporate insolvency resolution process ("CIRP") of the Corporate Debtor vide an order dated June 6, 2018 and appointed Mr. Anuj Jain as the insolvency resolution professional.

Thereafter, separate applications were filed by State Bank of India (on behalf of all the financial creditors) and Mr. Venugopal Dhoot (one of the promoters of the Videocon group) for the consolidation of the Corporate Debtor along with other group companies. The Adjudicating Authority, vide its order dated August 8, 2019, allowed State Bank of India's application by, inter alia, (i) allowing the consolidation of the CIRP of the Corporate Debtor with that of 12 other Videocon group companies namely, Value Industries Limited, Videocon Telecommunications Limited, Evans Fraser & Co. (India) Limited, Millennium Appliances India Limited, Applicomp (India) Limited, Electroworld Digital Solutions Limited, Techno Kart India Limited, Century Appliances Limited, Techno Electronics Limited, PE Electronics Limited, CE India Limited and Sky Appliances Limited; (collectively referred to as the "Corporate Debtors" / "Videocon Group Entities") and (ii) appointing Mr. Mahender Khandelwal as the insolvency resolution professional for the Videocon Group Entities.

Subsequently, the first meeting of the Consolidated Committee of Creditors of the Corporate Debtors (CoC) was held on September 16, 2019. At the first meeting of the CoC, the CoC approved the name of Mr. Abhijit Guhathakurta as the Resolution Professional for the Videocon Group Entities, including the Corporate Debtor in place of Mr. Mahender Khandelwal. Mr. Abhijit Guhathakurta's appointment as the Resolution Professional of the Videocon Group Entities ("**Resolution Professional**" / "**RP**") was approved by the Adjudicating Authority vide its order dated September 25, 2019. A copy of the said order of the Adjudicating Authority was made available to the Resolution Professional on September 27, 2019 when the same was uploaded on the website of the Adjudicating Authority. On and from the date of publication of

the aforesaid order, the powers of the board of directors of the Corporate Debtor stand vested in the Resolution Professional.

Thereafter, CoC had approved the resolution plan submitted by Twin Star Technologies Limited (the "**Resolution Plan**"), by passing the requisite resolution with 95.09% majority/voting share in accordance with the provisions of Section 30(4) of the Code. The said Resolution Plan, as approved by the CoC, had been filed with the NCLT in accordance with the Section 30(6) of the Code for its approval on December 15, 2020. Further, NCLT vide order dated June 08, 2021 ("Approval Order"), approved the resolution plan submitted by Twin Star Technologies Limited ("Approved Plan").

In terms of the Approved Plan, a steering committee had been constituted ("Steering Committee"). The Steering Committee in its meeting held on June 18, 2021 had appointed the Resolution Professional, Mr. Abhijit Guhathakurta, as the interim manager of the Corporate Debtors ("Interim Manager"), for undertaking the management and control the Company, from the date of Approval Order till the completion of the implementation process on the Closing Date (as provided under the Approved Plan).

However, pursuant to the appeals filed by three dissenting financial creditors (among others) before the Hon'ble National Company Law Appellate Tribunal, New Delhi (the "**NCLAT**"), the Hon'ble NCLAT, vide its order dated July 19, 2021 in the said Appeals (the "Stay Order"), inter-alia stayed the operation of the NCLT Approval Order till the next date of hearing and ordered the maintenance of status quo ante as before passing of the NCLT Approval Order. Further, as per the Stay Order, the Resolution Professional was directed to continue to manage the 13 Videocon Group Entities as per the provisions of the Code till the next date of hearing.

Later on, the NCLAT vide its final order dated January 05, 2022 set aside the Approval Order and remitted back the matter to the COC for completion of the process relating to CIRP in accordance with the provisions of the Code (the, "**NCLAT Final Order**").

Subsequently, pursuant to the NCLAT Final Order, the COC in their meeting held on January 12, 2022, decided to invite afresh expressions of interest for submission of a consolidated resolution plan for Corporate Debtors in accordance with IBC and CIRP Regulations.

However, Twin Star Technologies Limited challenged the NCLAT Final Order in Civil Appeals bearing numbers 509, 512 and 894 of 2022 before the Hon'ble Supreme Court ("**SC Appeals**"). The SC Appeals were listed on February 14, 2022, on which date, the Hon'ble Supreme Court made oral remark to the Resolution Professional and COC to not proceed further with the CIRP of the Corporate Debtors till any further orders in subsequent hearings. Pursuant to these oral remarks of the Hon'ble Supreme Court, the status quo is being preserved in the current CIRP of Consolidated Corporate Debtors till further orders/directions of the Hon'ble Supreme Court. Therefore, the Resolution Professional continues to manage the Videocon Group Entities (including the Company), as per the provisions of the Code. As a result, the powers of board of directors of the Corporate Debtor are being exercised by the Resolution Professional in terms of provisions of Section 25 of the Code.

It is also understood that the Resolution Professional has filed applications with Hon'ble NCLT under section 19 of the Code, seeking co-operation from promoters and erstwhile management of the company for providing various data , primarily pertaining to pre-CIRP period and certain additional data that is required for preparing the Financial Statements. The requested data is still not made available to the Resolution Professional / Company. Hence, in the absence of detailed books of accounts of earlier years, including ledger copies / supporting documents as required to be maintained under the provisions of section 128 of Companies Act, 2013, the Financial Statements have been prepared by the Group Resources on the basis of available data on best effort basis.

Neither any report pertaining to physical verification of such assets was made available to us. Accordingly, we are unable to confirm the valuation (including impact of any impairment, obsoleteness, damage, etc.) and ownership of such assets along with the depreciation charged in statement of profit and loss account. Due to insufficiency of data/records, we are unable to obtain sufficient appropriate audit evidence whether any adjustments are necessary in respect of property, plant and equipment as at March 31, 2022.

3) As per the information and explanations given to us with respect to Investments as reflected in Note no. 4 of the Financial Statements, the Company has carrying value of investments in subsidiaries, associates and joint ventures amounting to INR 96,363.67 million, and has trade receivables of INR 23,860.35 million, (aggregating to INR 120,224.02 millions), in group/affiliate companies which have been referred to National Company Law Tribunal and consequently admitted to CIRP under the Insolvency and Bankruptcy Code, 2016. It may however be noted that, the RP has already filed applications before NCLT under section 19 of IBC for the handing over of complete and accurate details/records with regards to the Investments of the Company. Due to insufficiency of data/records, we are unable to ascertain the consequential cumulative effects thereof on loss (including other comprehensive income for the year), assets and other equity. As such, we are unable to determine whether any additional adjustments / disclosures are required on investments and trade receivables reported as at March 31, 2022.

4) We have not been provided with any physical verification reports of inventories at the beginning and end of the year. Hence, we are unable to comment / confirm on the quantity and valuation of Inventories held as at March 31, 2022 which are stated in the Balance Sheets at INR 2366.99 million (2021: INR 2424.50 million) under note no. 8. As such, we are unable to determine whether any adjustments in accordance with Ind AS-2 "Inventories" are necessary to the Financial Statements in respect of recorded (or unrecorded) inventories and further cannot comment on the items which are obsolete, damaged and their proper reflection in the Financial Statements.

Further, in the absence of physical verification and fair valuation of inventories, we are unable to comment or confirm on the correctness of the amount charged towards Cost of material Consumed during the year as mentioned under Note No. 25 and the Changes in Inventories (in finished goods, work-in-progress and stock in trade) as disclosed under Note No.27.

Due to non-availability of relevant supporting documents/records, we are unable to assess the genuineness and recoverability of such loans and advances issued by the Company which form part of the opening balances as at 1st April, 2019.

6) With respect to related party disclosures made under Note No.53 of the Financial Statements, we are unable to confirm or comment whether the details provided are complete and in compliance with the requirements of section 188 of the Companies Act, 2013 and Ind AS-24 "Related Party Disclosures".

Accordingly, Ind AS-12 "Income Tax" has not been followed by the Company. Resultant impact, if any, on the Financials Statements is not ascertainable at this stage.

8) As referred in Note No-35, valuation towards employee benefit expenses is based on actuarial valuation report. Since the company is into CIRP, the assumptions considered and the resultant outcomes may change basis the outcome of CIRP. As such, we are unable to comment on impact, if any, on the Financial Statements.

9) With respect to Note No-36 to the financial statements regarding Financial Instruments, read with Note 50 to the Financial Statements, the company has not complied with the requirements of Ind AS -109 – Financial Instruments. As such, its impact on the Financial Statements is not ascertainable at this stage.

10) As mentioned in Note No- 37, in the absence of breakup/details pertaining to contingent liability as at 31st Mar 2019, the company has relied on the opening balances without evaluating if any changes are required to such opening balances during the year. As such, the company has not disclosed contingent liability in accordance with Ind AS-37 "Provisions, Contingent Liabilities and Contingent Assets". Further, we are unable to comment on the completeness / exhaustiveness of the contingent liabilities covered and any impact that may be necessary on the Financial Statements at this stage.

11) We also draw your attention to Note No-38 to the Financial Statements. There are certain disputes with the Government of India ("GOI") with respect to the earlier Production Sharing Contract dated October 28, 1994 ("Ravva PSC"), now extended up to October 2029 vide RAVVA PSC extension dated October 24, 2019, pertaining to Ravva Oil & Gas Field. Presently, the issue as to the recovery of GOI's alleged claims totaling US\$ 118 Million are being heard in the Supreme Court of India ("SC").

Since the GOI's invocation of the claim of USD 118 million and pending final resolution, all sales revenue of VIL on account of sale of oil & gas to oil marketing companies (GOI owned companies) have been diverted to GOI and are not received by VIL since November 2019. Pending final resolution of the above mentioned disputes, certain amounts of the company's share in revenues from RAVVA Oil & Gas sales have been excess recovered, deducted or short paid by the GOI and / or its Nominees which have been challenged by the Company in the past and present and the Company is seeking recovery of amounts excessively recovered, deducted or short paid by the GOI and/or its Nominees, now that the above matters are being presently heard in the SC and the proceedings are ongoing and awaiting outcome. The Company has not made any adjustments or provided for any further sums required to be paid or recoverable by the Company in respect of such disputes, pending the final outcome in such matters. In this regard, we are unable to ascertain possible financial impacts of such disputes on the Financial Statements.

12) As mentioned in Note No-39 to the Financial Statements, pursuant to commencement of CIRP of the Company under Insolvency and Bankruptcy Code, 2016, there are various claims submitted by the financial creditors, operational creditors, employees and other creditors to the RP. Such claims can be submitted to the RP till the approval of the resolution plan by (Committee of creditors) COC. The overall obligations and liabilities including interest on loans and the principal amount of loans shall be determined during the CIRP. Outcome of the CIRP process is still

pending thus no accounting impact in the books of accounts has been made in respect of excess, short, or non-receipts of claims for financial creditors, operational creditors, employees and other creditor. Hence, consequential impact, if any, is currently not ascertainable and we are unable to comment on possible financial impacts of the same.

Further, the Company is contingently liable in respect of the borrowings of other Obligors/Borrowers to the extent of outstanding balance of Rupee Term Loans as on March 31, 2022 of INR 49, 173.91 million (As at March 31, 2021 INR 49, 173.91 million). As such, consequential impact if any is currently unascertainable and we are unable on possible financial impact of the same. Further, as mentioned under Note No. 18 and 39 since the commencement of CIRP, there is a Moratorium in terms of section 14 of the Code towards repayment of existing debts and interest thereon. However, pending the completion / final outcome of CIRP, the Company has continued to provide for the interest for full financial year, including the moratorium period. Payment towards such interest expenses are subject to the provisions of the Code and outcome of CIRP. However, we have not received supporting documents for such borrowings, including relevant sanction letters and other relevant documents. As such, we are unable to confirm whether the Borrowings of INR 446,890.87 million (2021: INR 384,866.48 million) as reported under Note No-18 and 39 provide an accurate status and whether the basis for interest charged in statement of profit and loss account is in accordance with Ind AS-23 "Borrowing Cost".

13) With respect to Note Nos-41 (on SCN received from DRI) and 42 (on disclosures pertaining to MSMEs), we have not been provided any documents/ records. We are therefore unable to comment upon these.

14) With respect to Note No-45, we are unable to ascertain if the reported details provide a complete and accurate breakup of segmental reporting in accordance with Ind AS- 108 "Operating Segments".

15) The company has not produced any documents/ information/ relating to Grant form ozone Project (as set out in Note No-46 of Financial Statements with a carrying value of INR 35.94 million as at 31st March, 2022). As such, we are unable to ascertain impact of the same in Financial Statements at this stage.

16) During the conduct of audit, we have also been informed that the balance confirmations are not available in respect of the balances of loans and advances, trade receivables, trade payables, and other receivables and payables. As such, we are unable to ascertain impact on Financial Statements. However, in case of balance with banks, (INR 405.41 million), we have been provided most of the copies of bank statements (subject to their reconciliations).

17) According to the details made available to us and on the basis of filings made on the GST portal, the company has defaulted / made delayed filings pertaining to the annual compliances of Goods and Service Tax (GST) along with the compliances of Income Tax Act, as applicable during the year. As such, we are unable to comment upon the future liability and/or any other financial impact that may arise on the Company.

18) We also draw your attention to Note No-62 to the Financial Statements. The Resolution Professional has filed applications with Hon'ble NCLT under section 19 of the Code seeking co-operation from promoters and erstwhile management of the company, for providing various data, primarily pertaining to pre-CIRP period and certain additional data that is required for preparing Financial Statements and data requested by various investigating agencies. In the absence of relevant data, the financials have been prepared on the basis of available data on best effort basis.

Further, other deviations from the requirements of Companies Act, 2013 and Indian Accounting Standards have also been highlighted in this report. As such, the Company has not followed all of the standard accounting policies as prescribed in Note-1 to the Financial Statements on various matters and the Financial Statements have not been prepared in strict compliance with the requirements of relevant sections of the Companies Act, 2013 and Ind AS along with other rules and regulations. The overall financial impact, if any, is unascertainable.

We also draw your attention to Note no-56 and 57 of the Financial Statements, wherein it is mentioned that an independent Transaction Review Audit was conducted as required under section 43-66 of IBC for identification of Preferential, Undervalued, Extortionate, and Fraudulent transactions as defined and explained under IBC. The resultant observations from the Audit had indicated that there may be certain questionable accounting entries and/or transactions entered into before commencement of CIRP. And further, there are ongoing investigations against Videocon Group Entities by different government agencies, including SFIO and Directorate of Enforcement. In this regard, we have not been provided any copy of notice/ report/information/documents on such Transaction Review Audit and ongoing investigations. Hence, we are unable to comment on necessary changes that may be required in the Financial Statements at this stage.

19) The Company has mentioned in Note 60 of the Financial Statements that, considering the Company is being run as a going concern under CIRP, the Financial Statements have been prepared on going concern basis. However, we found Material uncertainty relating to Going Concern assumption applied to the Financial Statements. The Company has been referred to National Company Law Tribunal under the Insolvency and Bankruptcy Code, 2016, there is considerable decline in level of operations of the Company, and net worth of the Company reported at INR (186,805.63) Million as on the reporting date is negative and it continues to incur losses. The Company is a co-obligor and has received demand notices in respect of borrowings of other co-obligors/borrowers. Thus, there exists a material uncertainty about the ability of the Company to continue as a "Going Concern". The same is dependent upon the outcome of SC Appeals and / or any other developments on the resolution process of Videocon Group Entities. The appropriateness of the preparation of Financial Statements on going concern basis is critically dependent upon CIRP as specified in the Code. Necessary adjustments required on the carrying amount of assets and liabilities are not ascertainable. Further we are unable to comment on the remarks / explanation provided by the Company under Note No. 52 to the Financial Statements in relation to the Analytical Ratios.

For the matters mentioned in para no (1) to (19) above, we are unable to determine the adjustments that are necessary in respect of Company's assets, liabilities as on Balance sheet date, income and expenses for the year, cash flow statement and related presentation and disclosures in Financial Statements so we disclaim to form any opinion on the Financial Statements.

We further inform that we were appointed as the Statutory Auditor of the Company only on June 27, 2022 for conducting Statutory Audit from FY 2019-20. For the matters stated in the "Basis for Disclaimer of Opinion paragraph above", we are not cognizant of matters that pertain to/transpired in earlier financial years (i.e. prior to FY 19-20) and hence cannot be implicated in ongoing proceedings for matters contained herein, which relate to earlier financial years.

We have audited the internal financial controls over financial reporting of **Videocon Industries Limited** ('the Company') as of March 31, 2022 in conjunction with our audit of the standalone Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The company's management is responsible for establishing and maintaining internal financial controls based on internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on audit of internal financial controls over financial reporting issued by The Institute of Chartered Accountants of India (ICAI). Our responsibility is to express an opinion on the company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the guidance note on audit of internal financial controls over financial reporting (the "Guidance Note") Issued by The Institute of Chartered Accountants of India and the standards on Auditing prescribed under section 143(10) Of Companies Act 2013, to the extent applicable to an audit of internal financial controls. Those standards and Guidance Note require that we comply with ethical requirements and plan and perform the order to obtain reasonable Assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. The procedures depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statement, due to lraud or error

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Standalone Financial Statements for external purposes in accordance with Generally Accepted Accounting Principles. A company's internal financial control over financial reporting includes those policies and procedures that

1. Pertain to maintenance of records that, in reasonable details, accurately and fairly reflect the transactions and dispositions of asset of the company;

2. Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statement in accordance with Generally Accepted Accounting Principles and that receipts and expenditures of company are being made only in accordance with authorizations of Management of the company; and

3. Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the Financial Statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management oversight of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of the internal financial controls over financial reporting to future periods are subject to the risk that internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

A 'material weakness' is a deficiency, or a combination of deficiencies, in internal financial control over financial reporting, such that there is a reasonable possibility that a material misstatement of the Company's annual or interim Financial Statements will not be prevented or detected on a timely basis.

Notes to financial statements for the year ended 31st March, 2022 (Contd.)

Note 1

Significant accounting policies

1.1 Reporting entity

Videocon Industries Limited is a company domiciled in India, with its registered office situated at 14 KM Stone, Village Chittegaon, Taluka Paithan - Aurangabad, Maharasthra 431105. The Company has been incorporated under the provisions of Indian Companies Act. The entity is primarily involved in manufacturing and trading of consumer durables and extraction of crude oil and natural gas.

1.2 Basis of preparation

A. Statement of compliance

These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016 and other relevant provisions of the Act, subject to the necessary clarifications explained elsewhere in other Notes to the Accounts, including Notes 55,58, and 62(h)

B. Functional and presentation currency

These financial statements are presented in Indian Rupess (₹), which is also the entity's functional currency. All amounts have been rounded off to the nearest millions unless otherwise indicated.

C. Basis of measurement

The financial statements have been prepared on historical cost basis, except for the following assets and liabilities which have been measured at fair value:

- Certain financial assets and liabilities measured at fair value (refer accounting policy regarding financial instruments);

- Net defined benefit (asset) / liability - fair value of plan assets less present value of defined benefit obligations.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

D. Key estimates and assumptions

The preparation of financial statements requires management to make judgments, estimates and assumptions in the application of accounting policies that affect the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates. Continuous evaluation is done on the estimation and judgments based on historical experience and other factors, including expectations of future events that are believed to be reasonable.

Judgements

Information about judgements made in applying acounting policies that have the most significant effects on the amounts recognised in the standalone financial statements is included in the following notes:

Useful lives of property, plant and equipment and intangible assets.

Assumptions and estimation uncertainities

Recognition of deferred tax assets: availability of future taxable profit against which tax losses carried forward can be used;

Measurement of defined benefit obligations: key actuarial assumptions;

Recognition and measurement of provisions and contingencies: key assumptions about the likelihood and magnitude of an outflow of resources;

Fair value of financial assets and liabilities and investments.

E. Measurement of fair values

The Company's accounting policies and disclosures require the measurement of fair values for both financial and non-financial instruments.

The Company has an established control framework with respect to the measurement of fair values. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. The management regularly reviews significant unobservable inputs and valuation adjustments.

If third party information, such as broker quotes or pricing services, is used to measure fair values, then the management assesses the evidence obtained from the third parties to support the conclusion that such valuations meet the requirements of Ind AS, including the level in the fair value hierarchy in which such valuations should be classified.

When measuring the fair value of a financial asset or a financial liability, the Company uses observable market data as far as possible. Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.

- Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

- Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

The Company recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

Further information on recognition of assets at fair value, if any, is covered in relevant notes.

Notes to financial statements for the year ended 31st March, 2022 (Contd.)

Note 1 (Contd.)

Significant accounting policies (Contd.)

F. Current and non-current classification

The Schedule III to the Act requires assets and liabilities to be classified as either current or non-current.

An asset is classified as current when it satisfies any of the following criteria:

- a) it is expected to be realised in, or is intended for sale or consumption in, the entity's normal operating cycle;
- b) it is held primarily for the purpose of being traded;
- c) it is expected to be realised within twelve months after the Balance Sheet date; or
- d) it is cash or a cash equivalent unless it is restricted from being exchanged or used to settle a liability for atleast twelve months after the Balance Sheet date.

All other assets are classified as non-current.

A liability is classified as current when it satisfies any of the following criteria:

- a) it is expected to be settled in, the entity's normal operating cycle;
- b) it is held primarily for the purpose of being traded;
- c) it is due to be settled within twelve months after the Balance Sheet date; or
- d) the Company does not have an unconditional right to defer settlement of the liability for atleast twelve months after the Balance Sheet date.

All other liabilities are classified as non-current.

Operating cycle

Operating cycle is the time between the acquisition of assets for processing and their realisation in cash or cash equivalents.

Based on the nature of services and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current – non-current classification of assets and liabilities.

1.3 Significant accounting policies

A. Financial assets

i) Initial recognition and measurement

Financial assets are recognised when the Company becomes a party to the contractual provisions of the instrument.

On initial recognition, a financial asset is recognised at fair value, in case of financial assets which are recognised at fair value through profit and loss (FVTPL), its transaction cost is recognised in the statement of profit and loss. In other cases, the transaction cost is attributed to the acquisition value of the financial asset.

- ii) Classification and subsequent measurement
 - Financial assets are subsequently classified and measured at
 - amortised cost
 - fair value through profit and loss (FVTPL)
 - fair value through other comprehensive income (FVOCI).

Management determines the classification of its financial assets at the time of initial recognition or, where applicable, at the time of reclassification. Financial assets are not reclassified subsequent to their recognition, except if and in the period the Company changes its business model for managing financial assets.

- iii) Debt instruments are initially measured at amortised cost, fair value through other comprehensive income ('FVOCI') or fair value through profit or loss ('FVTPL') till derecognition on the basis of (i) the Company's business model for managing the financial assets and (ii) the contractual cash flow characteristics of the financial asset.
 - a) Measured at amortised cost: Financial assets that are held within a business model whose objective is to hold financial assets in order to collect contractual cash flows that are solely payments of principal and interest, are subsequently measured at amortised cost using the effective interest rate ('EIR') method less impairment, if any. The amortisation of EIR and loss arising from impairment, if any is recognised in the Statement of Profit and Loss.
 - b) Measured at fair value through other comprehensive income: Financial assets that are held within a business model whose objective is achieved by both, selling financial assets and collecting contractual cash flows that are solely payments of principal and interest, are subsequently measured at fair value through other comprehensive income. Fair value movements are recognized in the other comprehensive income (OCI). Interest income measured using the EIR method and impairment losses, if any are recognised in the Statement of Profit and Loss. On derecognition, cumulative gain or loss previously recognised in OCI is reclassified from the equity to 'Other Income' in the Statement of Profit and Loss.
 - c) Measured at fair value through profit or loss: A financial asset not classified as either amortised cost or FVOCI, is classified as FVTPL. Such financial assets are measured at fair value with all changes in fair value, including interest income and dividend income if any, recognised as 'Other Income' in the Statement of Profit and Loss. In addition, the Company may, at initial recognition, irrevocably designate a debt instrument, which otherwise meets amortized cost or FVOCI criteria, as at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch').
 - d) Financial Instruments having termination rights are to be measured at amortised cost (or, depending on the business model, at fair value through other comprehensive income) even in the case of negative compensation payments.

Notes to financial statements for the year ended 31st March, 2022 (Contd.)

Note 1 (Contd.)

Significant accounting policies (Contd.)

iv) Equity Instruments

All investments in equity instruments classified under financial assets are initially measured at fair value, the Company may, on initial recognition, irrevocably elect to measure the same either at FVOCI or FVTPL. The Company makes such election on an instrument-by-instrument basis. Fair value changes on an equity instrument is recognised as other income in the Statement of Profit and Loss unless the Company has elected to measure such instrument at FVOCI. Fair value changes excluding dividends, on an equity instrument measured at FVOCI are recognized in OCI. Amounts recognised in OCI are not subsequently reclassified to the Statement of Profit and Loss. Dividend income on the investments in equity instruments are recognised as 'other income' in the Statement of Profit and Loss.

v) Trade Receivables

Trude receivables are initially recognized at fair value. Subsequently, it recognizes impairment loss allowance based on lifetime expected credit losses at each reporting date, right from its initial recognition. Trade receivables are tested for impairment on a specific basis after considering the sanctioned credit limits and expectations about future cash flows. The impairment losses and reversals are recognized in the Statement of Profit and Loss.

vi) Derecognition

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or it transfers the rights to receive the contractual cash flows on the financial asset in a transaction in which substantially all the risks and rewards of ownership of the financial asset are transferred. Any interest in transferred financial assets that is created or retained by the Company is recognised as a separate asset and associated liability for any amounts it may have to pay.

vii) Impairment of Financial Asset

Trade receivables are tested for impairment on a specific basis after considering the sanctioned credit limits, security deposit collected etc. and expectations about future cash flows.

The Fixed Assets or a group of assets (cash generating unit) are reviewed for impairment at each Balance Sheet date. In case of any such indication, the recoverable amount of these assets or group of assets is determined, and if such recoverable amount of the asset or cash generating unit to which the asset belongs is less than it's carrying amount, the impairment loss is recognised by writing down such assets to their recoverable amount. An impairment loss is reversed if there is change in the recoverable amount and such loss either no longer exists or has decreased.

B. Financial liabilities

i) Initial recognition, measurement and classification

Financial liabilities are classified as either held at a) fair value through profit or loss, or b) at amortised cost. Management determines the classification of its financial liabilities at the time of initial recognition or, where applicable, at the time of reclassification. The classification is done in accordance with the substance of the contractual arrangement and the definition of a financial liability and an equity instruments.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities at amortised cost includes loan and borrowings, interest accrued but not due on borrowings, trade and other payables. Such financial liabilities are recognised initially at fair value minus any directly attributable transaction costs. Subsequent to initial recognition these financial liabilities are measured at amortised cost using the effective interest method.

ii) Finat Financial guarantee contracts

The Company has elected to account all its financial guarantee contracts as financial instruments as specified in Ind AS 109 on Financial Instruments. The company recognises the commission income on such financial guarantees and accounts for the same in Profit and Loss account over the tenure of the financial guarantee.

iii) Derecognition

A financial liability is derecognised when the obligation specified in the contract is discharged, cancelled or expires.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet only if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

C. Property, Plant and Equipment

i) Recognition and measurement

Items of property, plant and equipment (PPE) are measured at original cost of acquisition, net of tax / duty credit availed less accumulated depreciation and accumulated impairment losses, if any. Cost includes expenditure that is directly attributable to the acquisition of the items. If signifacnt parts of PPE have different useful lives, then they are accounted for as separate items (major comopnents) of PPE.

Advances paid towards the acquisition of PPE outstanding at each reporting date are classified as capital advances under Other Non-Current Assets.

) Recognition and measurement

Intangible assets are initially measured at cost and are subsequently measured at cost less accumulated amortisation and any accumulated impairment losses.

ii) Subsequent expenditure

Subsequent expenditure is capitalised only when it increases the future economic benefits embodied in the specific asset to which it relates.

 iii) Amortisation Intangible assets are amortised using the straight-line method over a period of five years.

Amortisation method, useful lives and residual values are reviewed at the end of each financial year and adjusted if appropriate.

H. Investments in Subsidiaries, Associates and Joint Ventures:

Investments in subsidiaries, associates and joint ventures are carried at FVOCI. With effect from 01st Apr 2019, The amended Ind AS 109 is appliable to the company, requiring the company to apply Ind AS 28 to long term interests in associates and joint ventures that form part of net investment in associate and joint venture but to which equity method is not applied.

I. Inventories

Inventories are measured at the lower of cost and net realisable value. The cost of inventories is determined using the weighted average method.

Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and selling expenses.

J. Impairment of non-financial assets

The Company's non-financial assets, other than inventories and deferred tax assets, are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated.

For impairment testing, assets that do not generate independent cash inflows are grouped together into cash-generating units (CGUs). Each CGU represents the smallest group of assets that generates cash inflows that are largely independent of the cash inflows of other assets or CGUs.

The recoverable amount of a CGU (or an individual asset) is the higher of its value in use and its fair value less costs to sell. Value in use is based on the estimated future cash flows, discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the CGU (or the asset).

An impairment loss is recognised if the carrying amount of an asset or CGU exceeds its estimated recoverable amount. Impairment losses are recognised in the statement of profit and loss. Impairment loss recognised in respect of a CGU is allocated to the carrying amounts of the other assets of the CGU (or group of CGUs) on a pro rata basis.

In respect of assets for which impairment loss has been recognised in prior periods, the Company reviews at each reporting date whether there is any indication that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. Such a reversal is made only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation oramortisation, if no impairment loss had been recognised.

K. Revenue

Effective April 1, 2018, the Company has adopted Indian Accounting Standard 115 (Ind AS 115) - 'Revenue from contracts with customers' using the cumulative catch-up transition method, applied to contracts that were not completed as on the transition date i.e. April 1, 2018.

a) Sale of goods

Revenue from sale of goods is recognised when significant risks and rewards of ownership in the goods are transferred to the buyer. The Company recognizes revenues on the sale of products, net of returns, discounts, sales incentives/rebate, amounts collected on behalf of third parties (such as sales tax) and payments or other consideration given to the customer that has impacted the pricing of the transaction.

b) Insurance, Duty Drawback and other claims are accounted for as and when admitted by the appropriate authorities.

L. Recognition of dividend income, interest income or expense

Dividend income from investments is recognised in profit and loss on the date on which the Company's right to receive payment is established.

For all debt instruments measured at amortised cost, interest income is recorded using the effective interest rate (EIR). EIR is the rate which exactly discounts the estimated future cash receipts over the expected life of the financial instrument to the gross carrying amount of the financial asset. When calculating the EIR the company estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayments, extensions, call and similar options). The expected credit losses are considered if the credit risk on that financial instrument has increased significantly since initial recognition.

M. Foreign currency transactions

Transactions and balances

Transactions in foreign currencies are recorded at the exchange rate prevailing on the date of transactions.

Monetary assets and liabilities denominated in foreign currencies are translated into the functional currency at the exchange rate at the reporting date. Non-monetary assets and liabilities that are measured at fair value in a foreign currency are translated into the functional currency at the exchange rate when the fair value was determined. Non-monetary assets and liabilities that are measured based on historical cost in a foreign currency are translated at the exchange rate at the date of the transaction.

Exchange differences are recognised in profit or loss.

N. Employee benefits

i) Short-term employee benefits

All employee benefits payable wholly within twelve months of rendering the service are classified as short term employee benefits. Benefits such as salaries, performance incentives, etc., are recognized as an expense at the undiscounted amount in the Statement of Profit and Loss of the year in which the employee renders the related service.

Notes to financial statements for the year ended 31st March, 2022 (Contd.)

Note 1

Significant accounting policies

Liability in respect of gratuity is determined using the projected unit credit method with actuarial valuations as on the Balance Sheet date and gains/losses are recognised immediately in the Other Comprehensive Income.Net interest expense and other expenses related to defined benefit plans are recognized in Statement of Profit and Loss.

When the benefits of a plan are changed or when a plan is curtailed, the resulting change in benefit that relates to past service or the gain or loss on curtailment is recognized immediately in Statement of Profit and Loss. The Company recognizes gains and losses on the settlement of a defined benefit plan when the settlement occurs.

iv) Leave Encashment

Liability in respect of leave encashment is determined using the projected unit credit method with actuarial valuations as on the Balance Sheet date and gains/losses are recognised immediately in the Statement of Profit and Loss.

0. Provisions (other than for employee benefits)

i) Provisions are recognized when the Company has a present obligation as a result of a past event; it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and when a reliable estimate of the amount of the obligation can be made. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance Sheet date. The expenses relating to a provision is presented in the Statement of Profit and Loss net of any reimbursement.

ii) Warranties

Provision for the estimated liability in respect of warranty on sale of consumer electronics and home appliances products is made in the year in which the revenues are recognised, based on technical evaluation and past experience. Warranty provision is accounted as current and non current provision. Non current provision is discounted to its present value and the subsequent unwinging effect is passed through Profit and Loss account under Finance Cost.

P. Contingent liabilities and contingent assets

Contingent liabilities are possible obligations whose existence will only be confirmed by future events not wholly within the control of the Company, or present obligations where it is not probable that an outflow of resources will be required or the amount of the obligation cannot be measured with sufficient reliability. Contingent liabilities are not recognized in the financial statements but are disclosed unless the possibility of an outflow of economic resources is considered remote.

Disputed demands in respect of Custom duty, Income tax, Sales tax and Others are disclosed as contingent liabilities. Payment in respect of such demands, if any, is shown as an advance, till the final outcome of the matter.

Contingent assets are not recognised in the financial statements.

Q. Leases

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases. In determining whether an arrangement is, or contains a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease date if fulfillment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset, even if that right is not explicitly specified in the arrangement.

Operating Leases :

Where the company is the lessee:

Leases in which a singnificant portion of the risk and rewards of ownership are not transferred to the company as lessee are classified as operating leases. Payment made under operating leases (net of any incentives received from the lessor) are charged to statement of Profit and loss on a straight line basis over the period of the lease unless the payments are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases.

Where the company is the lessor:

Lease income from operating leases where the Company is a lessor is recognised in income on a straight line basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increase.

R. Income Tax

Income tax expense comprises current and deferred tax and is recognized in the Statement of Profit and Loss except to the extent that it relates to items recognized directly in equity or in OCI.

i) Current Tax

Current tax is the amount of tax payable (recoverable) in respect of the taxable profit / (tax loss) for the year determined in accordance with the provisions of the Income-tax Act, 1961. Taxable profit differs from 'profit before tax' as reported in the Statement of Profit and Loss because of items of income or expenses that are taxable or deductible in other years & items that are never taxable or deductible. Current income tax for current and prior periods is recognised at the amount expected to be reporting date.

Current tax assets and liabilities are offset only if, the Company:

a) has a legally enforceable right to set off the recognised amounts; and

b) intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Notes to financial statements for the year ended 31st March, 2022 (Contd.)

Note 1

Significant accounting policies

Minimum Alternative Tax (MAT) under the provisions of the Income-tax Act, 1961 is recognised as current tax in the Statement of Profit and Loss. The credit available under the Act in respect of MAT paid is recognized as an asset only when and to the extent there is convincing evidence that the company will pay normal income tax during the period for which the MAT credit can be carried forward for set-off against the normal tax liability. MAT credit recognised as an asset is reviewed at each balance sheet date and written down to the extent the aforesaid convincing evidence no longer exists.

ii) Deferred Tax

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes. Deferred tax is not recognised for:

- temporary differences on the initial recognition of assets or liabilities in a transaction that is not a business combination and that affects neither accounting nor taxable profit or loss; and
- indexation benefit in relation to investments in subsidiaries, given that the Company does not have any intentions to dispose such investments in the foreseeable future.

Deferred tax assets are recognised for unused tax losses, unused tax credits and deductible temporary differences to the extent that it is probable that future taxable profits will be available against which they can be used. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realised; such reductions are reversed when the probability of future taxable profits improves. Unrecognised deferred tax assets are reassessed at each reporting date and recognised to the extent that it has become probable that future taxable profits will be available against which they can be used.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date. Taxes relating to items recognised directly in equity or OCI is recognised in equity or OCI and not in the Statement of Profit and

Deferred tax assets and liabilities are offset only if:

- a) the entity has a legally enforceable right to set off current tax assets against current tax liabilities; and
- b) the deferred tax assets and the deferred tax liabilities relate to income taxes levied by the same taxation authority on the same taxable entity.

S. Borrowing Costs

Borrowing costs are interest and other costs (including exchange differences relating to foreign currency borrowings to the extent that they are regarded as an adjustment to interest costs) incurred in connection with the borrowing of funds. Borrowing costs directly attributable to acquisition or construction of a qualifying asset which necessarily take a substantial period of time to get ready for their intended use or sale are capitalised as part of the cost of that asset until such time as the assets are substantially ready for their intended use or sale. Other borrowing costs are recognised as an expense in the period in which they are incurred. Borrowing costs related to specific borrowings that remain outstanding after the related qualifying asset is ready for intended use or sale should subsequently be considered as part of general borrowing costs of an entity. Other borrowing costs are recognised as an expense in the period in which they are incurred.

- Revenue items are translated at average rates. Ð)
- Opening and closing inventories are translated at the rate prevalent at the commencement and close of the accounting year, ii)
- iii) Fixed assets are translated at the exchange rate as on the date of the transaction. Depreciation on fixed assets is translated at the rates used for translation of the value of the assets to which it relates. (vi
- Other current assets and current liabilities are translated at the closing rate.

U. Government Grant

Grants are recognised when there is reasonable assurance that the grant will be received and conditions attached to them are complied with. Grants related to depreciable assets are treated as deferred income, which is recognised in the Statement of Profit and Loss over the period of useful life of the assets and in the proportions in which depreciation on related assets is charged.

Premium on Redemption of Bonds/Debentures are written off to Securities Premium Account.

W. Share Issue Expenses

AA. Cash and cash equivalents

Cash and cash equivalents in the balance sheet comprise cash on hand, bank balances and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value. For the purpose of the Statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

Earnings per share (EPS)

Basic EPS calculated by dividing the Net profit for the year attributable to equity holders by the weighted average number of Equity shares outstanding during the year.

Diluted EPS amounts are calculated by dividing the profit attributable to equity holders (after adjusting profit impact of dilutive potential equity shares, if any) by the aggregate of weighted average number of Equity shares outstanding during the year and the weighted average number of Equity shares that would be issued on conversion of all the dilutive potential Equity shares into Equity shares.

vi) The principal actuarial assumptions used for estimating the Company's benefit obligations are set out below (on a weighted average basis):

Particulars	March 31, 2022	March 31, 2021
Rate of increase in salaries (%)	5% to 7% per annum	5% to 7% per annum
Discount rate (%)	6.95% to 7.75% per annum	6.95% to 7.75% per annum

Mortality rate during employment	Indian Assured Lives Mortality (2006-08) Ultimate	Indian Assured Lives Mortality (2006-08) Ultimate

vii) Sensitivity of the defined benefit obligation

Particulars	March 31	, 2022	(₹ in Million) March 31, 2021	
	Increase	Decrease	Increase	Decrease
Discount rate (0.50% movement)	(213.11)	224.20	(331.64)	344.54
Rate of increase in salaries (0.50% movement)	224.01	(213.24)	344.19	(331.87)
Rate of employee turnover (0.50% movement)	(218.84)	218.24	(338.23)	337.68

The above sensitivity analysis have been calculated to show the movement in defined benefit obligation in isolation and assuming there are no other changes in market conditions at the reporting date. In practice, generally it does not occur. When we change one variable, it affects to others. In calculating the sensitivity, project unit credit method at the end of the reporting period has been applied.

Although the analysis does not take account of the full distribution of cash flows expected under the plan, it does provide an approximation of the sensitivity of the assumptions shown.

viii) Expected contributions to gratuity fund for the year ended March 31, 2023 is ₹ 31.35 million.

ix) The expected future cash flows as at March 31, were as follows:

					(₹ in Million)
Particulars	Up to 1 year	Between 1-2 years	Between 2-5 years	More than 5 years	Tota

March 31, 2021	35.31	26.73	99.17	126.02	287.23

The entire Note No 35 is based on acturial valuation report. Since the company is into CIRP, the assumptions considered in the computations made above and the resultant outcomes may change basis the outcome of CIRP

il) Liquidity risk

The Company is under CIRP. The Company depends upon timely receipt from sales and delay in sales realisation as well as vendor payments can severely impact the current level of operation. Since the commencement of CIRP, there is a Moratorium in terms of section 14 of the Code towards repayment of existing debts and interest thereon. Thus it is not required to meet any loan or interest obligation till the completion of CIRP.

Liquidity risk is the financial risk that is encountered due to uncertainty resulting in difficulty in meeting its obligations. An entity is exposed to liquidity risk if markets on which it depends are subject to loss of liquidity for any reason; extraneous or intrinsic to its business operations, affecting its credit rating or unexpected cash outflows. A position can be hedged against market risk but still entail liquidity risk. Prudence requires liquidity risk to be managed in addition to market, credit and other risks as it has tendency to compound other risks. It entails management of asset, liabilities focused on a medium to long-term perspective and future net cash flows on a day-by-day basis in order to assess liquidity risk.

iii) Interest rate risk

Interest rate risk can be either fair value interest rate risk or cash flow interest rate risk. Fair value interest rate risk is the risk of changes in fair values of fixed interest bearing investments because of fluctuations in the interest rates. Cash flow interest rate risk is the risk that the future cash flows of floating interest bearing investments will fluctuate because of fluctuations in the interest rates.

The Company does not account for any fixed-rate financial assets or financial liabilities at fair value through profit or loss. Therefore, a change in interest rates at the reporting date would not affect profit or loss.

Notes to financial statements for the year ended March 31, 2022 (Contd.) Note 53

Pursuant to an application filed before the Hon'ble National Company Law Tribunal, Mumbai ("NCLT" / "Adjudicating Authority") under Section 7 of the insolvency and Bankruptcy Code, 2016 ("IBC" / "the Code") against Videocon Industries Limited ("Corporate Debtor") / "the Company"), the Adjudicating Authority had admitted the application for the initiation of the corporate insolvency resolution process ("CIRP") of the Corporate Debtor vide an order dated June 6, 2018 and appointed Mr. Anuj Jain as the insolvency resolution professional.

Thereafter, separate applications were filed by State Bank of India (on behalf of all the financial creditors) and Mr. Venugopal Dhoot (one of the promoters of the Videocon group) for the consolidation of the Corporate Debtor along with other group companies. The Adjudicating Authority, vide its order dated August 8, 2019, allowed State Bank of India's application by inter alia, (i) allowing the consolidation of the Corporate Debtor with that of 12 other Videocon group companies namely, Value Industries Limited, Videocon Telecommunications Limited, Evans Fraser & Co. (India) Limited, Millennium Appliances India Limited, Applicomp (India) Limited, Electroworld Digital Solutions Limited, Techno Kart India Limited, Century Appliances Limited, PE Electronics Limited, CE India Limited and Sky Appliances Limited; collectively referred to as the "Corporate Debtors" / "Videocon Group Entities" and (ii) appointing Mr. Mahender Khandelwal as the insolvency resolution professional for the Videocon Group Entities.

Subsequently, the first meeting of the Consolidated Committee of Creditors of the Corporate Debtors (CoC) was held on September 16, 2019. At the first meeting of the CoC, the CoC approved the name of Mr. Abhijit Guhathakurta as the Resolution Professional for the Videocon Group Entities, including the Corporate Debtor in place of Mr. Mahender Khandelwal. Mr. Abhijit Guhathakurta's appointment as the Resolution Professional of the Videocon Group Entities, including the Entities ("Resolution Professional / RP") was approved by the Adjudicating Authority vide its order dated September 25, 2019. A copy of the said order of the Adjudicating Authority was made available to the Resolution Professional on September 27, 2019 when the same was uploaded on the website of the Adjudicating Authority.

On and from the date of publication of the aforesaid order, the powers of the board of directors of the Corporate Debtor stand vested in the Resolution Professional.

Thereafter, CoC had approved the resolution plan submitted by Twin Star Technologies Limited (the "Resolution Plan"), by passing the requisite resolution with 95.09% majority/voting share in accordance with the provisions of Section 30(4) of the Code. The said Resolution Plan, as approved by the CoC, had been filed with the NCLT in accordance with the Section 30(6) of the Code for its approval on December 15, 2020. Further, NCLT vide order dated June 08, 2021 ("Approval Order"), approved the resolution plan submitted by Twin Star Technologies Limited ("Approved Plan").

In terms of the Approved Plan, a steering committee had been constituted ("Steering Committee"). The Steering Committee in its meeting held on June 18, 2021 had appointed the Resolution Professional, Mr. Abbijit Guhathakurta, as the interim manager of the Corporate Debtors ("Interim Manager"), for undertaking the management and control the Company, from the date of Approval Order till the completion of the implementation process on the Closing Date (as provided under the Approved Plan).

However, pursuant to the appeals filed by three dissenting financial creditors (among others) before the Hon'ble National Company Law Appellate Tribunal, New Delhi (the "NCLAT"), the Hon'ble NCLAT, vide its order dated July 19, 2021 in the said Appeals (the "Stay Order"), inter-alia stayed the operation of the NCLT Approval Order till the next date of hearing and ordered the maintenance of status quo ante as before passing of the NCLT Approval Order, Further, as per the Stay Order, the Resolution Professional was directed to continue to manage the 13 Videocon Group Entities as per the provisions of the Code till the next date of hearing.

Later on, the NCLAT vide its final order dated January 05, 2022 set aside the Approval Order and remitted back the matter to the COC for completion of the process relating to CIRP in accordance with the provisions of the Code (the, "NCLAT Final Order"). Subsequently, pursuant to the NCLAT Final Order, the COC in their meeting held on January 12, 2022, decided to invite afresh expressions of interest for submission of a consolidated resolution plan for Corporate Debtors in accordance with IBC and CIRP Regulations.

However, Twin Star Technologies Limited challenged the NCLAT Final Order in Civil Appeals bearing numbers 509, 512 and 894 of 2022 before the Hon'ble Supreme Court ("SC Appeals"). The SC Appeals were listed on February 14, 2022, on which date, the Hon'ble Supreme Court made oral remark to the Resolution Professional and COC to not proceed further with the CIRP of the Corporate Debtors till any further orders in subsequent hearings. Pursuant to these oral remarks of the Hon'ble Supreme Court, the status quo is being preserved in the current CIRP of Consolidated Corporate Debtors till further orders/directions of the Hon'ble Supreme Court. Therefore, the Resolution Professional continues to manage the Videocon Group Entities (including the Company), as per the provisions of the Code. As a result, the powers of board of directors of the Corporate Debtor are being exercised by the Resolution Professional in terms of provisions of Section 25 of the Code.

B) Transactions with Related Parties during the years

Pursuant to the provisions of Section 28 of the Code, the Company can enter into transactions with related parties (as defined under the provisions of the Code) during CIRP period only after the approval of the Committee of Creditors ("CoC").

During the year under consideration, the RP had after his assumption of office taken requisite approvals from the CoC, wherever required, for entering into transactions with related parties as defined under section S[24][j] the Code.

Further, since Videocon Group Entities are under a group insolvency, for enhancement of value of the Videocon Group Entities as a whole, it was agreed in the 3rd consolidated CoC by all CoC members that the funds of Videocon Industries Limited (VIL) should be used for meeting shortfall in the fixed costs of the other 12 companies (Including the Company) under consolidated CIRP as well as for meeting operational gap for productive business activities. The members of CoC had unanimously authorized the RP to utilize funds of VIL on a need-based basis for meeting the shortfall in fixed costs of other 12 group companies (including the Company) and also for meeting any operational requirements for carrying out business / manufacturing activities in these companies with an overall objective to maintain going concern nature, ensure continued business operations and in order to maximize value of the assets of Videocon Group Entities, However, this should not be treated as the additional financing/borrowing(s) in terms of the provisions of the Companies Act, 2013.

There are no other related party transactions made by the Company post assumption of office of the resolution professional which may have potential conflict with the interest of the Company at large or which warrants the approval of the shareholders.

Notes to financial statements for the year ended March 31, 2022 (Contd.)

Note 55

The Resolution Professional has filed applications with Hon'ble NCLT under section 19 of the Code seeking co-operation from promoters and erstwhile management of the company, for providing various data, Primarily pertaining to pre-CIRP period & certain additional data that is required for preparing financial statements, and data requested by various investigating agencies. In the absence of relevant data, these financial statements have now been prepared on the basis of available data on best effort basis. However, it is clarified that these financial statements are in agreement with the relevant books of accounts presently

Note 56

An independent Transaction Review Audit was conducted as required under section 43-66 of IBC for identification of Preferential, Undervalued, Extortionate, and Fraudulent transactions as defined and explained under IBC. The resultant observations from the Audit had indicated that there may be certain questionable accounting entries and/or transactions entered into before commencement of CIRP. In this regard, RP in compliance of his duties under the IBC has filed an application with NCLT to declare such transactions as void and be set aside. Adjustments, if any, for such transaction(s) may be made upon further directions from

Note 57

There are ongoing investigations against Videocon Group Entities by different government agencies, including SFIO and Directorate of Enforcement. Merely by affixation of signatures by RP on these financial statements, RP cannot be said to have any cognizance or knowledge of matters contained herein that pertain to the period prior to assumption of his office. Accordingly, merely by affixation of signatures by RP on these financial statements in good faith, no proceedings can be initiated nor RP be implicated in ongoing proceedings for matters contained herein which relate to period prior to his incumbency.

Note 58

Since the Company is under CIRP and various Prospective Resolution Applicants ("PRAs") were conducting their independent due diligence for submitting a resolution plan, it was material to ensure that any change in books of the Corporate Debtor on account of revaluation of assets, impairment assessment, ascertainment of Fair Market Value of assets etc. does not provide any indicative pricing on the assets of the Corporate Debtor to the PRAs. Thus, in the interest of value maximization under CIRP for all stakeholders, certain assets like property plant and equipment, unquoted investments, loan & advances, inventories etc. have been recorded at their carrying values after relevant adjustments for actual transactions undertaken during the financial year. Also, no additional provision

Note 59

Pursuant to commencement of CIRP of the Company under Insolvency and Bankruptcy Code, 2016, there are various claims submitted by the financial creditors, operational creditors, employees and other creditors to the RP. The overall obligations and liabilities including interest on loans and the principal amount of loans shall be determined during the CIRP. Pending final outcome of the CIRP, no accounting impact in the books of accounts has been made in respect of excess, short, or non-receipts of claims for financial, operational and other creditors.
